SCHEDULE OF CLASSES

Denise Schueren

Coordinator

Community Education

501.362.1273

daschueren@asub.edu

Spring 2018

CLASS LOCATIONS:

Heber Springs Campus: Main Campus: Student Services & Administration Building (SSA), and the Academic Center (AC) at 101 River Crest Drive, Heber Springs.
John L. Latimer Skills Training Center (LC) at 71 Cleburne Park Road, Heber Springs.

Searcy Campus: Main Building (MB), Tech East Building (TE) and Tech West Building (TW) at 1800 East Moore Avenue, Searcy.

Beebe Campus: Owen Center (OC) and England Center (EC) at 1000 Iowa Street, Beebe.

The policy of ASU-Beebe is to comply with federal and state disability legislation. Reasonable accommodations will be made in policies, practices, services, and facilities to ensure equal opportunity for qualified persons with disabilities to participate in all educational programs and activities. Please notify us if we can be of assistance. 501-362-1273.

INSTRUCTORS WANTED. Do you have a special talent or skill you would enjoy teaching to others? We are always looking for new ideas for classes and instructors to teach them. If you have topics for classes that you would like to see offered through ASU-Beebe or have skills you would like to share, please contact the Office of Community Education at 501-362-1273 or email daschueren@asub.edu.

HEALTH & SAFETY

Boater's Education – Arkansas Game & Fish Commission

Anyone born on or after January 1, 1986 and of legal age to operate a motorboat (including personal watercraft) or sailboat must have successfully completed an approved AGFC Boating Education Course and carry proof while operating a motorboat or sailboat on Arkansas water. This one-day course is recommended for ages 12 and up. Family participation is encouraged. Parental consent form is required for youth under 18 years of age. Form can be found on AGFC website. ***Must register with Arkansas Game and Fish in advance by going online @ www.register-ed.com.***

FREE

Clay Fires

BLS (Basic Life Support) for Medical Professionals

The BLS instructor-led course teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics. Through case-based scenarios, interactive activities and videos, you will recognize and be able to respond to several life-threatening emergencies. The hands-on class format reinforces skills proficiency. **Space is limited.**

\$35

Classes formed as needed | 5 pm - 9 pm

Clay Fires

HeartSaver® First Aid Course

The purpose of this course is to help participants identify and eliminate potentially hazardous conditions in their environment, recognize emergencies and make appropriate decisions for first aid care. It teaches skills that participants need to know in order to provide immediate care for a suddenly ill or injured person until more advanced medical personnel arrive to take over. It is for anyone with limited or no medical training who needs a course completion card for job, regulatory or other requirements. American Heart Association (AHA) certification. **Enrollment limited.**

Richard Underhill

Kids' Corner

Gymnastics, Cheer & Soccer Classes: Concentration is devoted to skills development in a positive, fun-filled atmosphere. We strive to help our young students develop a love for physical fitness, gain confidence, learn discipline, and understand how to set and work toward goals. In these classes, you may register for a month at a time, joining anytime throughout the semester. *If you would like to receive a discount, you may register your student for the entire semester and simply pay before the first class in January. No discounts given after the first class.**

Gymnastics (Ages 4 & up)

This class has expanded to teach parallel bar skills and we have added an additional balance beam at a higher level. Students will learn increased motor skills followed by basic tumbling including a variety of cartwheels, front rolls, backbends, etc. This class is designed to teach children with no previous tumbling or up to one year of experience. A recital is scheduled at the end of the spring semester to showcase talents. Students will choose their own music and costume (with guidance).

\$45/month OR \$205/semester*

Heber Springs Campus – LC116

Mondays, Jan 15 – May 21 | 5:05 pm - 5:50 pm -OR-

Tuesdays, Jan 16 – May 22 | 5:05 pm - 5:50 pm

Rena' Kelley

Cheerleading (Ages 4 & up)

This class will help cheerleaders improve jumps and tumbling skills, individual and/or in a group. Future cheerleaders will receive instruction focusing on tumbling fundamentals including cartwheels, round-offs, backbends, back walk overs, and back handsprings while

developing balance and body awareness. The cheer class will also include motions and beginning cheers. In May, students will perform their newly acquired skills for family and friends.

\$45/month OR \$205/semester*

Heber Springs Campus – LC 116

Mondays, Jan 15 – May 21 | 5:50 pm - 6:35 pm

Rena' Kelley

Soccer Basics (Ages 4 & up)

Through fun, active games, players will focus on basic skills in dribbling, passing, shooting, and ball control. Your child will also learn life skills such as teamwork and sportsmanship. Get them ready for league play or just the school playground. Your child is sure to have a great time!

\$45/month OR \$205/semester*

Heber Springs Campus – LC 116

Tuesdays, Jan 16 – May 22 | 5:50 pm - 6:35 pm

Rena' Kelley

Spring Watercolor Class (Ages 8 to 12)

This will be a fun and creative class for your little artists! We will be painting in an impressionist style, learning about color and composition. Each student will take their completed original "masterpieces" home at the end of class. Come on out and let's get creative.

\$35 – includes all supplies

Heber Springs Campus – LC 106

Saturday, April 7 | 9 am - 12 pm

Marvina Riddle

Intro to Fly Tying for Youth (Ages 12 & up. Parent must attend if under 12.)

Fly tying is an art form that provides a fun way to catch not only trout, but also a wide variety of fish found in Arkansas. In this workshop, students will learn basic techniques involved in fly tying and the skills needed to tie a variety of flies—wet flies, dry flies, flies for trout, bream, bass, and even catfish! Students will take all the flies they tie to test out themselves. Each class is independent, no multiple sessions.

\$30 per session– All supplies are provided!

Beebe Campus – OC 162
