HOME OF THE BADGERS

TUITION:

When taking classes at a High School Campus during school hours there is a difference between the regular tuition rate and the concurrent tuition rate, this difference is an academic scholarship as required by Act 1451 of 2009. If a concurrent student takes the classes on an ASU-Beebe Campus regular tuition and fees will be charged. Students will be sent an income report 1098T for income tax purposes.
