### HEALTH & SAFETY

**Boating Education Course– Arkansas Game & Fish Commission CHOOSE FROM THREE DATES FREE**

*Saturday Feb 25, April 1, OR May 20 8:00 am-5:00 pm Entergy Rm Mike Story*

Anyone born on or after Jan. 1, 1986, and of legal age to operate a motorboat (including personal watercraft) or sailboat must have successfully completed an approved AGFC Boating Education Course and carry proof while operating a motorboat or sailboat on Arkansas water. Course is recommended for ages 12 and up. Family participation is encouraged. Parental consent form is required for youth under 18 years of age. **Must register with Arkansas Game and Fish in advance by going online @ [www.register-ed.com](http://www.register-ed.com).**

**AARP Driver Safety Program CHOOSE FROM THREE DATES AARP MEMBERS \$15/NON-MEMBERS \$20**

*Friday Jan 13, Mar 17 OR May 19 8:30 am-12:30 pm McCoy Rm/LC 101/McCoy Rm Clay Fires*

This is a defensive driving course designed for mature drivers. Persons 55 and older who complete the course may receive a discount on their automobile insurance. Those who take the course will be better drivers and likely extend their driving years. These classes fill up fast; call and reserve your space early!

**Identity Fraud FREE**

*Call for specific date 2:00 pm-3:00 pm TBA Cathey Cox, Executive Vice Pres.*

Sponsored by Eagle Bank, a financial professional will share with you many ways Identify Theft can happen. It is one of the fastest growing crimes in the world. One out of every 20 consumers were victims last year and thieves are constantly creating new methods to catch you unaware. Attend this FREE, informative seminar and don't become the next victim!

**BLS (Basic Life Support) for Medical Professionals \$35**

*Mon/Tues April 17 & 18 6:00 pm-8:00 pm LC 101 Clay Fires*

The BLS instructor-led course teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics. Through case-based scenarios, interactive activities and videos, you will recognize and be able to respond to several life-threatening emergencies. The hands-on class format reinforces skills proficiency. **Space is limited, register early!**

**HeartSaver First Aid Course \$35**

*Tues/Thurs Jan 31 & Feb 2 6:00 pm-8:00 pm LC 101 Clay Fires*

The purpose of this course is to help participants identify and eliminate potentially hazardous conditions in their environment, recognize emergencies and make appropriate decisions for first aid care. It teaches skills that participants need to know in order to provide immediate care for a suddenly ill or injured person until more advanced medical care arrives to take over. It is for anyone with limited or no medical training who needs a course completion card for job, regulatory or other requirements. American Heart Association (AHA) certification. **Enrollment limited, register soon!**

# TECHNOLOGY

## Computer Basics

**\$60**

*Saturdays Feb 18 & 25 9:00 am-1:00 pm LC 114 Rena' Kelley*

In this eight-hour, hands-on workshop, you will learn how to effectively maneuver through your computer's programs. All introductory skills will be taught from turning the computer on and off correctly to file management. You will learn how to utilize programs, send e-mails, work with pictures and explore other items of interest to the class.

## Computer Basics Plus

**\$60**

*Saturdays Mar 4 & 11 9:00 am-1:00 pm LC114 Rena' Kelley*

This eight-hour course is designed to be a continuation of Computer Basics, going into further detail and building upon the skills taught in the first class. You will learn how to utilize different programs, how to save pictures from your phone and camera, how to burn and make a disc of documents/pictures, how to save to and retrieve from a jump/thumb/flash drive, as well as explore one-on-one questions in class. An introduction to Windows 10 will be covered. Increase your confidence with hands-on learning in our computer lab.

# SPECIAL INTEREST CLASSES

## Ballroom Dance for Beginners – Part I Choose between two class offerings

**\$55**

*Mondays March 6 – April 3 OR April 17 – May 15 6:00 pm-7:00 pm AC 154 Kelly Schultz*

This five-week class is designed to raise one's comfort level with social dancing and provide the opportunity to discover the joy and well-being that comes from this social outlet. You will learn the basics of American Style ballroom including a brief history, steps, lead/follow, and body positioning. **NO PARTNER NECESSARY!** Wear comfortable clothes/shoes.

\*NOTE – Ballroom Dance - Part II (continuation of Part I) will be offered at a later date.

## Ballroom Dance for Beginners – Part III

**\$55**

*Mondays April 17 – May 15 7:00 pm-8:00 pm AC 154 Kelly Schultz*

Ballroom Part III's class has a **specific dance focus**. For the spring semester, students will concentrate on Rumba and East Coast Swing. This class will continue to learn more basic steps including some refinement and practice through repetition. *For those who haven't previously taken a ballroom dance class, Ballroom Part I is a pre-requisite to attending this class.* NO PARTNER REQUIRED.

## Learn about Essential Oils

**\$15**

*Saturday April 1 9:30 am-11:30 am LC 101 Acacia Hazelwood*

Essential Oils were mankind's first "medicines." They are growing in popularity with celebrities, music artists, models, and even athletes toting the benefits. They can be used for immune support, relaxation, green cleaning, and more. Learn about the uses, benefits, and safety of Essential Oils by attending this informative class.

## Essential Oils - DIY "Make and Take" Workshop All Supplies Included

**\$35**

*Saturday April 15 10:00 am-11:30 am LC 101 Acacia Hazelwood*

If you love Essential Oils and would like to learn how to use them in a variety of ways, you will love this "make and take" workshop! Participants will make five items such as bath salts, sugar scrubs, roller balls, inhalers, etc. Acacia's relaxed, interactive personality will make this class FUN!!

## Backyard Chickens

**\$20**

*Tuesday Mar 14 5:30 pm-8:30 pm LC 101 Jan Farmer*

Which came first the chicken or the egg? Why did the chicken cross the road? We may not have the answers to these questions, but we can answer many more. Come and learn how to start your own small flock, even within city limits. Whether your interest lies in having fresh eggs or just a few poultry pets to eat yard bugs, this class is for you. Topics will include: breeds, health, poultry products, housing, and nutrition.

~~ CULINARY CLASSES COMING IN THE SPRING -- CALL FOR DETAILS ~~

# Kids' Corner

**Gymnastics & Cheer Classes:** Concentration is on skills development in a positive, fun-filled atmosphere. We strive to help our young students develop a love for physical fitness, gain confidence, learn discipline, and understand how to set and work toward goals. In both Gymnastics and Cheer classes, you may register for a month at a time, joining anytime throughout the semester, or register/pay in January for the whole semester and receive a discount. \*

<b>Gymnastics</b>	<b>Ages 4 and up</b>	<b>\$45/month OR \$205/semester*</b>
<i>Tuesday OR Jan 17 – May 16</i>	<i>5:00 pm-5:45 pm</i>	<i>AC 100 Rena' Kelley</i>
<i>Wednesday Jan 18 – May 17</i>	<i>5:00 pm-5:45 pm</i>	

With new equipment, we have expanded this class to include a parallel bar and an additional balance beam at a higher setting. Students will learn increased motor skills followed by basic tumbling which will include a variety of cartwheels, front rolls, backbends, etc. Balance Beam and Bar skills will be introduced. This class is designed to teach children with no previous tumbling or up to one year of experience. A year-end recital is scheduled in May where your child will perform a floor/ beam/bar routine. Students will choose their own music and costume (with guidance).

<b>Cheerleading</b>	<b>Ages 4 and up</b>	<b>\$45/month OR \$205/semester*</b>
<i>Tuesday OR Jan 17 – May 16</i>	<i>5:45 pm-6:30 pm</i>	<i>AC 100 Rena' Kelley</i>
<i>Wednesday Jan 18 – May 17</i>	<i>5:45 pm-6:30 pm</i>	

This class will help cheerleaders improve jumps and tumbling skills, individual and/or in a group. Future cheerleaders will receive instruction focusing on tumbling fundamentals including cartwheels, round-offs, backbends, back walk overs and back handsprings while developing balance and body awareness. The cheer class will also include motion placement and beginning cheers. In May, students will perform their newly acquired skills for family and friends.

## **Kid's College Camp AWESOME!! Coming this summer to an ASUB campus near you!!**

*During the month of July, ASU Beebe will be offering a Kid's College Camp where kids can experience all sorts of new and exciting opportunities, things like: Minecraft, forensics, natural history, theater/drama, and arts/crafts. Details for each campus will be added to our webpage soon. See what's in store for your child this summer!!*

# Art Classes

<b>Painting &amp; Composition – Just for Fun</b>	<b>Ages 16 &amp; up</b>	<b>\$150</b>
<i>Mondays March 27 – June 5</i>	<i>9:00 am-12:00 pm</i>	<i>LC 106 Janelle Selvidge</i>

Enjoy a break from everyday life and come paint with us! This class will meet for three hours once a week and is designed to bring out your inner creativity. You may use any medium (oil, acrylic, or watercolor) as well as choose your own subject matter. During the ten-week class, you will receive one-on-one instruction assisting in compositional set-up, drawing, and color mixing. No painting experience required. Students will receive a supply list at the first class, will work at their own pace, and may complete as many pieces as they wish. No pressure, no stress – just FUN!

**Painting with Bob Ross Technique**      **ALL SUPPLIES INCLUDED**      **\$65**  
*Saturday Feb 4 10:00 am-3:00 pm LC 106 Brenda Lawrence*  
 Come join us for a day filled with enjoyment! **Bob Ross classes require no previous painting experience AND** you will leave with a completed painting by day's end. February's piece is a warm and cozy country barn nestled in the snow.

**Painting with Bob Ross Technique**      **ALL SUPPLIES INCLUDED**      **\$65**  
*Saturday March 18 10:00 am-3:00 pm LC 106 Brenda Lawrence*  
 This month's Bob Ross class brings a landscape called "Desert Glow." This painting highlights the vibrant colors of a desert sunset. At class end, you will have a painting to show off to family and friends. They also make great gifts.

**Painting with Bob Ross Technique**      **ALL SUPPLIES INCLUDED**      **\$65**  
*Saturday May 6 10:00 am-3:00 pm LC 106 Brenda Lawrence*  
 Few flowers rival the beauty of a single calla lily. With its ivory white petals and lush green leaves, this elegant bloom is a favorite among artists. Although exquisite and refined, the calla lily has remarkable strength. Add this classic floral painting to your collection.

Note: Bring a sack lunch and wear clothes for painting.  
 For color examples of paintings, view at [www.asub.edu](http://www.asub.edu)

# TECHNOLOGY

## **EXCEL LEVEL 1**

**\$60**

*Tues/Thurs Feb 21 & 23 5:30 pm–8:30 pm Tech East 124 Computer Lab Buddy Padgett*

Using the spreadsheet software program, discover beginning shortcuts for setting up fully formatted worksheets quickly and efficiently. Students will learn functions to sort and analyze data, create custom charts, pivot tables, design workbooks, create macros, and use custom toolbar functions to create informative and eye catching charts. Students will also learn how to create macros to eliminate repetitive tasks and other functions.

## **EXCEL LEVEL 2**

**\$60**

*Tues/Thurs March 7 & 9 5:30 pm–8:30 pm Tech East 124 Computer Lab Buddy Padgett*

Students will build on the skills learned in Excel 2013 Level I, increasing confidence and efficiency.

## **Computer Basics**

**\$60**

*Tues/Thurs March 21 & 23 5:00 pm–8:00 pm Tech East 124 Computer Lab Buddy Padgett*

This class is just what the name says, "basics." If you are a timid computer user and would like to gain the knowledge, skills and confidence to manage your computer and its programs, this class is for you! You will learn how to utilize your programs, send e-mails, work with pictures and explore other items of interest to the class. Buddy will walk you through step-by-step in this hands-on class located in our computer lab.

## **Digital Photography Workshop**

**\$55**

*Tuesdays Feb 7 - 28 2:00 pm-4:00 pm Tech East 123 Robert Togni*

Make your photos POP! Covered in the class will be camera functions, compositions, principles of light, tools of the trade, etc. Hands-on project assignments will further your understanding. Class is for both beginners and those wanting to improve their photography skills. Required: Digital camera or phone and some computer knowledge.

# SPECIAL INTEREST CLASSES

## **Introduction to Beekeeping**

**\$55**

*Saturdays Mar 4, 18, 25 9:00 am-4:00 pm Tech East 123 Richard Underhill*

This three-day class introduces interested individuals to the craft of beekeeping. In classroom presentations and discussions, we will cover the following topics: History of Beekeeping and Honey Bee Biology; Apiary Location Considerations and Types of Honey Bee Hives; The Healthy Honey Bee Colony and Bee Hive Health Issues; A Beekeeping Good Neighbor Policy; Beekeeping Tools and Equipment; Production and Processing of Honey; and How to Inspect Your Bee Hives. The class will be three, full-day Saturday sessions. Weather permitting, students will visit an apiary and open bee hives.

## **Learn about Essential Oils**

**\$15**

If you love Essential Oils and would like to learn how to use them in a variety of ways, you will love this "make and take" workshop! Participants will make five items such as bath salts, sugar scrubs, roller balls, inhalers, etc. Acacia's relaxed, interactive personality will make this class FUN!!

<b>Beginning Genealogy</b>	<b>Choose between two class offerings</b>	<b>\$75</b>
<i>Saturdays</i>	<i>Mar 4 &amp; 11 <b>OR</b></i>	<i>9:00 am - 11:00 am</i>
<i>Tuesdays</i>	<i>Feb 28 – April 4</i>	<i>6:00 pm – 7:00 pm (*NOTE: no class on March 21)</i>

One of the hottest hobbies right now is genealogy and TV shows like "Who Do You Think You Are?" and "Finding Your Roots" have only fueled our interest. Have you ever been curious about looking deeper into your family history and discovering forgotten ancestors? Beginning Genealogy will teach you how to find and use basic genealogy records, how to organize those records, and how to put together a biographical portrait of your ancestors. This class will incorporate both Internet and traditional research methods and practices. Class will culminate with a Resource Guide for students to take and use as a reference.

<b>Beginning Sign Language – The First Step</b>	<b>\$70</b>
