Institutional Effectiveness Committee

Purpose: The Institutional Effectiveness Committee (IEC) serves as an advisory board to the Chancellor’s Council and the University Planning Team on matters related to the University’s assessment activities, including student learning, functional performance, and strategic planning.

Membership: The members of the Institutional Effectiveness Committee shall include the following:

- Executive Assistant to the Chancellor, Chair
- Coordinator of Assessment
- Coordinator of Accreditation
- Higher Learning Commission Steering Chair
- Director of Institutional Research
- At-Large Appointee
- At-Large Appointee
- Faculty Senate designee
- Staff Senate designee
- Student Leadership Council designee and alternate

Reporting: The Institutional Effectiveness Committee reports an executive summary to the Chancellor’s Council, University Planning Team, Assessment of Student Learning Committee, and the Assessment of Functional Performance Committee. Committee minutes will be sent to the Chancellor’s office.

Charges:

1. Develop and write the University Strategic Plan.
2. Assist the Chancellor’s Council and Planning Team in long-range planning for the enhancement of the overall assessment and effectiveness.
4. Evaluate University-level assessments, such as (Graduate Surveys, CSSCE Reports, etc.) and formulate recommendations.
5. Recognize individuals and/or departments making significant contributions to assessment of student learning and functional performance.
