SCHEDULE OF CLASSES

Fall
2017

CLASS LOCATIONS:

Heber Springs Campus: Main Campus: Student Services & Administration Building (SSA), and the Academic Center (AC) at 101 River Crest Drive, Heber Springs.

John L. Latimer Skills Training Center (LC) at 71 Cleburne Park Road, Heber Springs.

Searcy Campus: Main Building (MB), Tech East Building (TE) and Tech West Building (TW) at 1800 East Moore Avenue, Searcy.

Beebe Campus: Owen Center (OC) and England Center (EC) at 1000 Iowa Street, Beebe.

The policy of ASU-Beebe is to comply with federal and state disability legislation. Reasonable accommodations will be made in policies, practices, services, and facilities to ensure equal opportunity for qualified persons with disabilities to participate in all educational programs and activities. Please notify us if we can be of assistance. 501-362-1273.

INSTRUCTORS WANTED. Do you have a special talent or skill you would enjoy teaching to others? We are always looking for new ideas for classes and instructors to teach them. If you have topics for classes that you would like to see offered through ASU-Beebe or have skills you would like to share, please contact the Office of Community Education at 501-362-1273 or email daschueren@asub.edu.

HEALTH & SAFETY

Hunter's Education – Arkansas Game & Fish Commission

The call of the wild demands knowledge. This one-day course teaches all outdoorsmen, ages 9 and up, knowledge of safety and skills in the outdoors. This course is the perfect preparation tool for any hunter planning to be in the woods. ***Must register with Arkansas Game and Fish in advance by going online @ www.register-ed.com.***

FREE

Mike Cauldwell

AARP Driver Safety Program

This is a defensive driving course designed for mature drivers. Persons 55 and older who complete the course may receive a discount on their automobile insurance. Those who take the course will be better drivers and likely extend their driving years. These classes fill up fast; call and reserve your space early!

\$15-AARP MEMBERS/\$20-NON-MEMBERS

Heber Springs Campus – SSA, McCoy Rm

Friday, Sept 15 | 8:30 am - 12:30 pm –OR–

Friday, Nov 17 | 8:30 am - 12:30 pm

Clay Fires

BLS (Basic Life Support) for Medical Professionals

The BLS instructor-led course teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics. Through case-based scenarios, interactive activities and videos, you will recognize and be able to respond to several life-

threatening emergencies. The hands-on class format reinforces skills proficiency. **Space is limited, register early!**

\$35

Heber Springs Campus – LC 101

Mon/Tues, Sept 18 & 19 | 5 pm - 9 pm

Clay Fires

HeartSaver® First Aid Course

The purpose of this course is to help participants identify and eliminate potentially hazardous conditions in their environment, recognize emergencies and make appropriate decisions for first aid care. It teaches skills that participants need to know in order to provide immediate care for a suddenly ill or injured person until more advanced medical personnel arrive to take over. It is for anyone with limited or no medical training who needs a course completion card for job, regulatory or other requirements. American Heart Association (AHA) certification. **Enrollment limited, register soon!**

TECHNOLOGY

Computer Basics

In this eight-hour, hands-on workshop, you will learn how to effectively maneuver through your computer's programs. All introductory skills will be taught from turning the computer on and off correctly to file management. You will learn how to utilize programs, send e-mails, work with pictures and explore other items of interest to the class.

\$60

Heber Springs Campus – LC 114

Saturdays, Sept 2 & 9 | 12 pm - 4pm

Rena' Kelley

Searcy Campus – TW 115 Computer Lab

Classes scheduled as needed

Buddy Padgett

Computer Basics Plus

This course is designed to be a continuation of Computer Basics, going into further detail and building upon the skills taught in the first class. You will learn how to utilize different programs; save pictures from your phone and camera; burn and make a disc of documents/pictures; save to and retrieve from a jump/thumb/flash drive; as well as explore one-on-one questions in class. An introduction to Windows 10 also will be covered. Increase your confidence with hands-on learning in our computer lab.

\$60

Heber Springs Campus – LC 114

Saturdays, Sept 16 & 23 | 12 pm - 4 pm

Rena' Kelley

EXCEL Level 1

Participants practice the fundamentals of Excel, which include cell functions, copying, using cut and paste, formatting, printing, using auto-complete versus auto-fill, basic formulas, working across multiple worksheets, cell reference, and ranges. This class will get you off to a great start!

\$60

Searcy Campus – TW 115 Computer Lab

Mon/Tues, Aug 28 & 29 | 5:30 pm - 8:30 pm

Buddy Padgett

EXCEL Level 2

You will practice more advanced usage of Excel functions for worksheet formatting, sorting, conditional formatting, headers & footers, IF-formulas, how to use formulas to extract or compute data, create and format tables, create and edit charts, group & ungroup worksheets, create a summary worksheet for multiple worksheets, use watermarks, import graphics into spreadsheets, and edit graphics.

\$60

Searcy Campus – TW 115 Computer Lab

Tues/Thurs/Fri, Sept 5, 7 & 8 | 5:30 pm - 8:30 pm

Buddy Padgett

EXCEL Level 3

Students practice and learn an advanced stage of Excel's power by working with macros; learning how to use v-lookup, pivot tables, and charts; using slicers; grouping worksheets; editing and validating data; creating folders; using comments; protecting worksheets & workbooks; sharing worksheets; and exporting Excel data into other programs.

\$60

Searcy Campus – TW 115 Computer Lab

Classes scheduled as needed

Buddy Padgett

Learn about Essential Oils

Essential Oils were humankind's first "medicines." They are growing in popularity with celebrities, music artists, and models and athletes touting the benefits. They can be used for immune support, relaxation, green cleaning, and more. Learn about the uses, benefits, and safety of essential oils by attending this informative class.

\$15

Heber Springs Campus – LC 101

Saturday, Oct 7 | 9:30 am - 11:30 am

Searcy Campus – TBD

Saturday, Oct 14 | 9:30 am - 11:30 am

Acacia Hazelwood

Essential Oils DIY "Make and Take" Workshop

If you love essential oils and would like to learn how to use them in a variety of ways, you will want to attend the "make and take" workshop! You will be making five items such as bath salts, sugar scrubs, roller balls, inhalers, etc. Acacia's relaxed, warm personality makes this class FUN!!

\$35 - All supplies are provided!

Heber Springs Campus - LC 101

Saturday, Oct 7 | 12 pm - 1:30 pm

Searcy Campus – TBD

Saturday, Oct 14 | 12 pm - 1:30 pm

Acacia Hazelwood

Essential Oils COMBO CLASS

You may register for *both* "Learn about Essential Oils" class and "Make & Take Workshop" for a discounted price!! Enjoy the day and make some great Christmas gifts for family, friends or yourself!

\$45 - All supplies are provided!

Heber Springs Campus – LC 101

Saturday, Oct 7 | 9:30 am – 11:30 am & 12 pm – 1:30 pm

Searcy Campus – TBD

Saturday, Oct 14 | 9:30 am – 11:30 am & 12 pm – 1:30 pm

Acacia Hazelwood

Introduction to Beekeeping

This class introduces students to the art and science of beekeeping. Beekeeping craft topics include the history of beekeeping, honeybee biology, beehive equipment, apiary set-up, beekeeping protective clothing, techniques for handling honeybees, honeybee colony health, hive problems and honey production. This class will be three, full-day Saturday sessions. Weather permitting, students will visit an apiary and open beehives.

\$55

Heber Springs Campus – LC 101

Saturdays, Sept 16, 23 & 30 | 9 am - 4 pm

Richard Underhill

Trick Dog Clinic

Teaching your dog tricks will build a better, stronger bond and trust between you and your canine counterpart. The more tricks you teach, the quicker your dog's learning response becomes. You are making your dog smarter! Many tricks build endurance, stamina and even muscle tone, which all contribute to your pet's overall physical well-being. You and your pooch are both benefiting from an active afternoon instead of settling in on the couch. Training a puppy results in a positive way to release pent-up energy and boost concentration. Teaching an older dog new tricks stimulates interest in something new and exciting and helps keep them active. PLUS, it's fun *AND* your dog can earn a TITLE!

\$50

Heber Springs Campus – Location: TBD

Saturday, Dec 2 | 9 am – 12 pm
Pamela Padgett, CPDT, CTDI, CNW

Kids' Corner

Gymnastics & Cheer Classes: Concentration is devoted to skills development in a positive, fun-filled atmosphere. We strive to help our young students develop a love for physical fitness, gain confidence, learn discipline, and understand how to set and work toward goals. In both Gymnastics and Cheer classes, you may register for a month at a time, joining anytime throughout the semester. *If you would like to receive a discount, you may register your student for the entire semester and simply pay before the first class in September. No discounts given after the first class.**

Gymnastics (Ages 4 & up)

With new equipment, we have expanded this class to include a parallel bar and an additional balance beam at a higher setting. Students will learn increased motor skills followed by basic tumbling including a variety of cartwheels, front rolls, backbends, etc. Balance Beam and Bar skills will be introduced. This class is designed to teach children with no previous tumbling or up to one year of experience. A recital is scheduled at the end of the spring semester to showcase talents. Students will choose their own music and costume (with guidance).

\$45/month OR \$165/semester*

Heber Springs Campus – LC116

Mondays, Sept 11 – Dec 18 | 5:05 pm - 5:50 pm **-OR-**

Tuesdays, Sept 12 – Dec 19 | 5:05 pm - 5:50 pm

Rena' Kelley

Cheerleading (Ages 4 & up)

This class will help cheerleaders improve jumps and tumbling skills, individual and/or in a group. Future cheerleaders will receive instruction focusing on tumbling fundamentals including cartwheels, round-offs, backbends, back walk overs and back handsprings while

developing balance and body awareness. The cheer class will also include motions and beginning cheers. In May, students will perform their newly acquired skills for family and friends.

\$45/month OR \$165/semester*

Heber Springs Campus – LC 116

Mondays, Sept 11 – Dec 18 | 5:50 pm - 6:35 pm **–OR–**

Tuesdays, Sept 12 – Dec 19 | 5:50 pm - 6:35 pm

Rena' Kelley

Painting for Kids (Ages 8 to 18)

Come out and enjoy a fun painting class for kids! We will be exploring colors, shapes, textures, and design! Beginners are welcome! Supply list provided when you call to register. Supplies available at Wal-Mart.

\$25

Heber Springs Campus – LC 106

Saturdays, September 23 & 30 | 9 am - 12 pm

Marvina Riddle

Intro to Fly Tying for Youth (Ages 12 & up. Parent must attend if under 12)

Fly tying is an art form that provides a fun way to catch not only trout, but also a wide variety of fish found in Arkansas. Students learn basic techniques involved in fly tying and the skills needed to tie a variety of flies—wet flies, dry flies, flies for trout, bream, bass and even catfish! Students will take all the flies they tie to test out themselves.

Each class is independent, no multiple sessions. **\$30 per session– All supplies are provided!**

Beebe Campus - TBD
