- Concurrent students must have scored 19 or better on the respective ACT or COMPASS in Reading to enroll in any general education concurrent enrollment course.
- College Algebra requires that concurrent students must have scored 19 or better ACT OR 41 or better COMPASS in math AND 19 or better ACT OR 83 or better COMPASS in reading.
- English requires a 19 or better in English AND Reading on the respective ACT or COMPASS.
- Biology requires a 19 or better ACT, 83 or better COMPASS, OR Freshman English I with a grade of C or better.

I, the undersigned student, understand in order to enroll in concurrent classes I must meet certain requirements set forth in the ASU-Beebe Concurrent Student Handbook and ASU-Beebe catalog. I also understand that concurrently enrolled students are expected to meet the same standards of achievement as the traditional student body at ASU-Beebe and that I will receive college credit for the course work after successful completion of all course requirements as defined in the instructor’s syllabus.

I understand that payment of tuition is due at the time of registration. When taking classes at the High School Campus during high school hours there is a difference between the regular tuition rate and the concurrent tuition rate. This difference will be considered an academic scholarship as required by Act 1451 of 2009. Students will be sent an income report 1098T for income tax purposes.

I understand that the grade received from these classes will go on my college transcript and toward my college Grade Point Average (GPA).

With the Arkansas Department of Higher Education’s Course Transfer System (ACTS) students can view how general education courses transfer from and to the various Arkansas public colleges and universities. Using this information, students, parents, and school personnel can select an institution from the list provided and view how courses transfer. Some majors will have different requirements and/or may substitute courses for their program. The Course Transfer System may be found at: http://acts.adhe.edu/ Most institutions require a C or better for transfer.

Furthermore, I authorize ASU-Beebe to release and receive needed records, information, and my final grades to/from my parent(s) or legal guardian(s) and authorized personnel at my high school.
