

QUITMAN HIGH SCHOOL

HOME OF THE BULLDOGS

TUITION:

When taking classes at a *High School Campus during school hours* there is a difference between the regular tuition rate and the concurrent tuition rate, this difference is an academic scholarship as required by Act 1451 of 2009. If a concurrent student takes the classes on an ASU-Beebe Campus regular tuition and fees will be charged. Students will be sent an income report 1098T for income tax purposes.

INSTRUCTORS:

Quitman High School has employed instructors that are qualified to teach the college classes at the high school. The teachers are qualified the same way as an instructor on one of our ASU-Beebe campuses. They have their Master's Degree with at least 18 graduate hours in the course subject. Plus they are required to attend professional development sessions on one of the ASU-Beebe campuses at least once a year plus each course they teach will have a site-visit/review by an ASU-Beebe division chair or mentor each semester.

COURSES:

Quitman High School and their qualified instructors have joined with ASU-Beebe to offer the courses below on the Quitman High School Campus:

MATH 1023 College Algebra

3 Credits

A detailed study of functions and their applications including linear, quadratic, polynomial, rational, radical, absolute value, exponential, and logarithmic functions. Topics also include systems of equations and matrices. **Prerequisite:** Acceptable ACT score **OR** Compass score. ACTS Course Number: MATH 1103.
