Vanguard Community,

As you may be aware, the Arkansas Department of Health (ADH) is providing a bi-weekly report on “Educational Institutions with 5 or More Active Cases.” The report is posted on each Monday and Thursday, and it contains information on both Arkansas institutions of higher education and K12 school districts. For your reference, the report page is linked here: [ADH Educational Institutions Report](#).

At this time, the campuses of ASU-Beebe collectively have fewer than 5 known active cases of COVID-19 among students, faculty, and staff.

Please accept my thanks for your diligence in following our campus protocols. Again, please continue to practice the recommended public health guidance both on and off campus. Have a great holiday, and please #VanGUARD Your Health and Protect Others.

Jennifer L. Methvin, Ph.D. | Chancellor
