3.1 RECORDS POLICY
Arkansas State University-Beebe respects the privacy of our students and complies with all federal regulations regarding education and privacy issues.

Arkansas State University System
Family Educational Rights and Privacy Act Policy

The Family Educational Rights and Privacy Act (FERPA) require institutions of higher education to strictly protect the privacy rights of all students, who are or who have been attendance. Information contained in the student’s education records can be shared only with those persons or entities specified within Act.

The Registrar’s Office maintains a copy of the full text of the Family Educational Rights and Privacy Act of 1974, posts electronic information on FERPA, and processes all FERPA requests and challenges. Information on directory information, the types of student records maintained at Arkansas State University-Beebe, disclosure policy in relation to student consent, the procedures for gaining access to records, and the procedure for challenging the contents of those records are available in the Registrar’s Office.

Students have the right to inspect and review their education records except for specific exclusions contained within the Family Educational Rights and Privacy Act. A student should contact the Registrar’s Office to arrange for inspection, review, and correction of an educational record. The Registrar’s Office may charge a fee for copies of any education records.

Education records are the property of ASU-Beebe. Education records, including transcripts and diplomas, will not be released to any student who has a delinquent financial obligation to the University.

3.2 FALSIFICATION OF DOCUMENTS
Falsification or alteration of any University document or document submitted for the purpose of admissions or financial aid is cause for cancellation of admission. If a misrepresentation is discovered after a candidate is admitted and registered, an administrative hearing will be conducted by the Associate Vice Chancellor/Dean of Students to determine if the student is responsible for falsification of documents. If it is determined that the student is responsible for falsification of documents, the student will be administratively withdrawn from the University. Appeals for falsification of documents must be made in writing to the Provost within five (5) school days. After reviewing the information, the Provost shall either
make a determination on the appeal or send the appeal to the Appeals Committee (See Chapter 8.III.F. Appeals).

3.3 ACCEPTANCE OF TRANSFER CREDIT
Official transcripts should be submitted to the Admissions Office at the time of application to the University. Official transcripts for college level credit from institutions recognized by the Council for Higher Education Accreditation will be evaluated by the University Registrar for transfer credit.
- Grades must be equivalent to a C (2.0) average
- Credit must be applicable toward the requirements for a degree at our institution

The University Registrar reserves the right to accept or deny transfer credits to ASU-Beebe based on the transfer institutions’ academic policies. Final approval of transfer credits rests with the Associate Vice Chancellor for Academics.

International transcripts and academic records must be evaluated by a credential evaluation agency and mailed directly to the Admissions Office at ASU-Beebe. Contact the Admissions Office for specific information on international student requirements.

Courses accepted for transfer credit will be posted to the student’s ASU-Beebe transcript with the grade earned and the transfer institution’s course identifier and title. Transfer credit is not calculated as part of the student’s ASU-Beebe cumulative grade point average (GPA). Credits earned will only be reflected in hours earned and may be used for degree requirements.

3.4 STUDENT CLASSIFICATION
Students are classified according to credit hours;
- Freshmen: fewer than 30 semester credit hours completed
- Sophomores: 30+ credit hours completed
- Unclassified: Students who previously completed an Associate’s degree or higher

Students must carry 12 hours per semester to be classified as full-time students. Less than 12 credit hours is considered part-time. Full-time/part-time student status may affect health and automobile insurance coverage, scholarship eligibility, and the amount of financial aid and/or veteran’s benefits received.

**It is the student's responsibility to know his/her insurance policy, financial aid and scholarship renewal requirements.**

3.5 ACADEMIC ADVISORS
Each student is assigned an academic advisor. Students should frequently consult with their advisor concerning educational goals, including courses, majors, and degree programs. A check sheet of required courses in various majors is available from the academic advisor and serves as a guide when selecting courses, planning a degree program, and preparing for future institutional transfers. The academic advisor is posted on the student’s Vanguard Portal home page.

**IMPORTANT**: Federal Aid will only pay for classes that are required for the student’s declared major as listed in the degree plan of the Catalog Year assigned to that student.

3.6 REGISTRATION
After students prepare their schedule with their academic advisor, they may register for classes on the Vanguard Portal. Registration is only permitted at scheduled times, which are published in the University Catalog that is located on the Academics webpage.
3.7 CLASS ATTENDANCE
Arkansas State University-Beebe class attendance policy requires students to attend a prescribed number of classes during each course. During a semester, a student may not miss more than twice the number of lectures, laboratory sessions, or other regular class activities that would normally be scheduled during a week. Excessive absences may result in the student receiving a “WX” or failing grade, recorded immediately. Refer to the class syllabus for specific details.

The following is the attendance policy for classes at Arkansas State University-Beebe:
- Attendance at all lectures and laboratory sessions is expected of all students and is regarded as a course requirement
- When absences from class are excused, the student may, at the discretion of the instructor, be allowed to make-up work. The responsibility for initiating make-up work rests with the student.

Arrangements for such work are to be made with the instructor on the first day the student returns from an excused absence.
- The instructor may excuse absences for the following reasons:
  - Illness of the student that is certified by physician or in the judgment of the instructor is serious enough to warrant an excuse
  - Other personal demands, which in the judgment of the instructor are serious enough to warrant an excuse
  - External interferences judged by the instructor to be legitimate and unavoidable through normal precaution
  - Institutional functions for which a staff sponsor provides written notice to the faculty prior to the function

Students must utilize their allowable absences for any reason that requires them to miss class including, but not limited to, vacation, illness, emergency, or religious observances. If a student is aware of an upcoming absence, the student should communicate with the instructor in an effort to make the necessary arrangements concerning material and assignments and must not exceed the allowable number of absences for the course.

The exception to the above attendance policy is excused absences for military duty.
- Student must notify the faculty member in advance if they must miss a class or test due to military duty. In case of emergency, such as a natural disaster, the student must contact their instructor as soon as possible.
- The student must provide the instructor with official documentation:
  - Orders (if issued in advance)
  - Drill letter indicating the date, place, and time the student must report

If notified in advance, arrangements must be made for the student to complete test or assignment before he/she leaves for military duty. The documented time away from class due to military duty should be counted as an excused absence and not held against the student.

If an instructor considers any absence unexcused, the student may request a review of the judgement first by the Academic Dean and then by the Associate Vice Chancellor for Academics, if necessary. This request is to be made immediately following any question about the absence.

Failure to attend class in which you are registered does not mean that you have withdrawn from the class. Contact your academic advisor for proper procedures to withdraw from a course or the semester.

3.8 INCLEMENT WEATHER
In the case of inclement weather, the University may close or delay opening. If a delay is issued, only the classes after the delayed opening time will be held that day. All classes prior to the delayed opening time will be cancelled. Any student not able to make it to campus due to hazardous road conditions should contact his/her instructors.
Campus closures or delays will be announced in the following ways:

- **Emergency Alert Activation.** ASUB Emergency Alert is activated and notifications are sent by telephone, text message, and email to students, faculty, and staff.
- **Website Notification.** Announcements will be posted to the ASU-Beebe website. View announcement on the home page web banner.
- **Social Media Announcements** will also be posted to the ASU-Beebe Facebook and Twitter pages.
  - “Like” ASU-Beebe on Facebook at: https://www.facebook.com/ASUBeebe
  - “Follow” ASU-Beebe on Twitter at: https://twitter.com/ASUBeebe or search for #asubeebe
- **Media.** Notifications are sent to designated radio, television, and print media.

### 3.9 CLASSROOM VISITORS
In order to preserve the learning environment of the classroom, visitors are generally not allowed. The classroom should be comprised of the instructor and enrolled students, with the exception of other appropriate University representatives. Students should first refer specific questions concerning visitors to the course instructor and then to the Academic Dean, if needed.

### 3.10 DROP AN INDIVIDUAL COURSE
Dropping a course is a serious decision that could have a great impact on a student’s educational opportunities. The step-by-step process for dropping an individual class after the open registration period, is as follows:

1. Obtain an Individual Course Drop Request form from the advisor - one form per course.
2. Discuss decision to drop course with the instructor and obtain course instructor’s signature on the form.
3. Return signed Individual Course Drop Request form to the advisor. The student may request a copy of the form for his/her records.
4. The advisor will notify the Registrar’s Office of the drop request.

Students, who drop from a course after the end of late registration until the published drop deadline, will receive a grade of “W” on the student’s transcript at the end of the term.

Refunds will be made according to the Refund of Fees schedule that appears in the *University Catalog* and on the Withdrawal Refunds tab on the Cashier's Office webpage.

If a student is receiving any kind of financial aid or scholarships, it is highly recommended he/she contacts the Financial Aid Office before dropping an individual course.

Students, who stop attending a course or all courses without following the appropriate drop or withdrawal procedure may receive a "WX" or failing grade(s).

### 3.11 WITHDRAWAL FROM THE SEMESTER/TERM
Students, who wish to completely withdraw (drop all courses) from the current semester/term after the open registration period, must first meet with their academic advisor to discuss alternatives to withdrawing. The process for withdrawing from the semester is as follows:

1. Meet with advisor to discuss the decision to withdraw from the semester.
2. The advisor will sign the official Arkansas State University-Beebe Withdrawal Form. The student may request a copy of the form for his/her records.
3. The student will then submit the form to the Registrar’s Office to be processed.

After processing the withdrawal, the Registrar’s Office will notify personnel in the appropriate offices on campus.

Refunds will be made according to the Refund of Fees Schedule that appears in the *University Catalog* and on the Cashier's Office/Tuition webpage, Withdrawal Refunds tab.
If a student is receiving any kind of financial aid or scholarships, it is highly recommended he/she contacts the Financial Aid Office before withdrawing for the semester/term.

Students, who withdraw from the semester or term after the end of late registration until the published drop deadline, will receive a grade of “W” on the student’s transcript at the end of the term.

Students, who stop attending a course or all courses without following the appropriate drop or withdrawal procedure, may receive a “WX” or failing grade(s).

Students, who experience a major medical issue, should contact the Associate Vice Chancellor for Student Services Office for assistance.

3.12 GRADES, GRADE POINT, GRADE POINT AVERAGE
Since grade point averages can affect financial aid, academic awards, admission to other institutions, and scholarships, students are strongly encouraged to stay informed about their grade point average.

A student’s grade point average is computed:

\[
GPA = \frac{\text{Total Number of Grade Points Earned}}{\text{Total Number of (All) Attempted Credits}}
\]

To determine the Total Number of Grade Points Earned, use the grading system in the table to obtain the Points Earned for each class:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Meaning</th>
<th>Points Earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Poor</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
<td>0</td>
</tr>
</tbody>
</table>

To calculate the Total Number of Grade Points Earned:

1. Multiply the Course Credit Hours by the Points Earned for each class = Quality Points
2. Add together all the Quality Points = Total Number of Grade Points Earned

The GPA is carried out to two digits past the decimal point and not rounded up.

Developmental class grades are not included when computing the grade point average. Transfer credit is not calculated as part of the student’s ASU-Beebe cumulative GPA.

The grade point average may be viewed on the Unofficial Transcript located under the Academics >> Degree Audit tab in the Vanguard Portal.

3.13 REPEATED COURSES AND COMPUTATION OF GRADE POINT AVERAGE
A student may repeat a course to change the original grade. The LAST grade earned will become the official grade and will be used to calculate the cumulative grade point average (CGPA), even if the last grade earned is lower than the original attempt.

Students, who choose to repeat courses, should know:
- The exact course must be repeated to have the latest attempt replace the first attempt
- All courses attempted will remain on the transcript
- Last attempt will have an asterisk beside the letter grade [A*]
- Courses will only count toward graduation requirements once, even if both attempts are successful
- Adjustments to the cumulative GPA are not made for courses transferred from other institutions because no grade points are assigned to transfer credits
- Grades of “W”, “WX”, “I”, or “AU” will not replace the original grade
- Developmental courses are not included in the Repetition of Courses policy

### 3.14 ACADEMIC PROBATION AND SUSPENSION

Grades are evaluated at the end of the Fall and Spring semesters to determine if a student should be placed on academic probation or suspension. Summer terms are not evaluated.

A student will be placed on academic probation according to the following guidelines.

<table>
<thead>
<tr>
<th>Attempted Credit Hours (Including repeated courses)</th>
<th>Cumulative Grade Point Average (Less than the CGPA listed below)</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-15</td>
<td>2.00</td>
</tr>
<tr>
<td>16-30</td>
<td>2.00</td>
</tr>
<tr>
<td>31-45</td>
<td>2.00</td>
</tr>
<tr>
<td>46+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Students, who fail to meet these standards, will be placed on academic probation for one semester, Fall or Spring. If the student still does not meet the minimum cumulative grade point average as listed above by the end of the probationary semester, the student will be suspended until the end of the next Fall or Spring semester.

The following is an exception to the above policy:
- If a student on academic probation makes at least a 2.00 grade point average for each probationary semester, the student will be allowed to enroll in classes the next semester.

The student will be removed from academic probation at the close of any evaluated enrollment period, Fall or Spring, for which the student’s cumulative grade point average meets the standards listed above.

If the student does not achieve the required minimum cumulative GPA after an evaluation period or maintain a semester grade point average of 2.00 for each probationary semester, the student will be suspended from the college for one academic semester, Fall or Spring. The student may petition for immediate readmission by:
- Obtaining a petition form and a current ASU-Beebe transcript from the Registrar’s Office.
- Submitting the completed petition and the transcript to the Admissions and Appeals Committee.

Readmission is not automatic; each case will be judged on merit.

Transfer students, who are on academic suspension status from their previous institution, are not eligible to enroll at ASU-Beebe until the suspension is complete.

### 3.15 ACADEMIC CLEMENCY

Academic clemency is a one-time, irrevocable recalculation of the grade point average and credit hours toward graduation after a student has been separated from all academic institutions for at least three years. In addition to the loss of grades and credits, students, who are granted academic clemency, also forfeit the use of previous placement scores and prerequisites already completed. Students must apply for clemency before the first day of classes for the semester they are re-entering.
Note: Federal regulations make no provision for academic clemency. The student’s complete academic record, including courses the student has been granted academic clemency, will be included when reviewing financial aid eligibility.

3.16 TRANSCRIPTS
A transcript is the complete and official record of academic work. It will be required when transferring to another institution of higher education, when seeking employment, and on many other occasions. Official transcript requests may be made through the Vanguard Portal under the Academics >> Forms tab. Students may also request an official transcript in person, in writing, by mail or email by selecting the Request an Official Transcript link on the Registrar's Office webpage. Transcripts are provided free of charge unless ten or more ordered at one time, at which time a charge of $1.00 each will be assessed. The fee should be enclosed with the transcript request.

Transcripts will not be issued if the student has any past due financial obligation to the University.

For more information about obtaining an official transcript, visit the Registrar's Office webpage. Unofficial transcripts may be viewed and printed from the Vanguard Portal, located under the Academics >> Degree Audit tab.

3.17 ACADEMIC DISTINCTION
Academic achievement is recognized in the following ways at Arkansas State University-Beebe:

- The Chancellor’s List
  - Students with a 4.00 GPA and at least 15 credit hours
  - Students are eligible to participate in the Honors Program the following semester
  - Award published at the end of each Fall and Spring semester
- The Dean’s List

  - Two sophomores from each division are honored at Spring Commencement
- Outstanding Citizenship Award
  - A sophomore male and a sophomore female are awarded based upon outstanding citizenship

Each semester, students named to the Chancellor’s List and Dean’s List receive a scholastic achievement certificate from the University.

Students in the Honors Program, who complete all requirements, will have “Graduate of the Arkansas State University-Beebe Honors Program” on their transcript.

Graduates with a 3.75 or better GPA will be recognized at commencement.

3.18 APPLICATION FOR GRADUATION
Students requesting consideration for graduation must complete an Application for Graduation prior to the published deadline for the semester or term. Students should apply through the Vanguard Portal, Academics >> Forms tab.

In certain situations, the advisor or Academic Dean may allow a substitute for a program requirement. The University Registrar must be informed of this request prior to conferring the student’s degree or certificate. The Associate Vice Chancellor for Academics has final approval of substitution request.

The appropriate degree or certificate will be conferred once all academic requirements have been met and all obligations to the University have been completed. There is no charge to apply for graduation.
GRADUATION REQUIREMENTS
Graduation requirements for a student seeking a degree or certificate include:
- Successful completion of all program requirements with minimum cumulative grade point average of 2.00
- Minimum of 15 semester credit hours completed at ASU-Beebe
- Satisfaction of all financial obligations to the University

For additional information on graduation requirements, please refer to the Registrar’s Office or the University Catalog under which the student enrolled.

4.1 STUDENT FEES AND ACCOUNTS
When students register for classes, an account receivable record is created. Before the first day of class each term, students must make sure the balance is paid in full or payment arrangements are in place.

Tuition and other obligations are payable before the first day of class. Room and board charges must either be paid in full upon moving into the Residence Halls or included in the Payment Plan.

All financial obligations must be settled in full before grades, transcripts, or other official records will be released.

4.2 ACCOUNTS RECEIVABLE POLICY
Students can pay their accounts receivable account at the time they register for courses or anytime up through the required payment date for each term.

The methods of payment are:
• Payment in full (cash, check, and/or credit card)
• Enrollment in the Payment Plan
• Approved Financial Aid or Scholarships

The Cashier’s Office and Bookstore will accept Visa, MasterCard, and Discover cards.

ASU-BEEBE@LRAFB does not accept cash payments due to U.S. Air Force restrictions.

If paying online through the Vanguard Portal, students have the option to pay in full with a credit card or to pay by installments through the Payment Plan. There is $25 enrollment fee per semester for the Payment Plan.

The last day to pay for each term is the day before the classes begin.

No subsequent enrollment is allowed if a student owes an accounts receivable balance from a prior semester. The student billing account is flagged to prevent registration.

Other accounts receivable balances could occur from residence hall charges, hall damages, lost keys, university fines, etc. Those amounts are added to the student accounts receivable account when the Cashier’s Office is notified by the Associate Vice Chancellor/Dean of Students or University Police. The
student will be notified by the Associate Vice Chancellor/Dean of Students about residence hall and/or key charges. University Police will issue the student a ticket for traffic or tobacco violations.

Returned checks are sent to the Cashier’s Office by the banks for insufficient funds, stop payments, or closed accounts. Collection activities for these items will be implemented until payment is received in full. Returned checks will prevent enrollment and could be sent to the Prosecuting Attorney’s Office for collection and/or prosecution if not paid.

Past due balances from prior semesters are turned over to the Arkansas Department of Finance and Administration for collection by the Debt Set Off program. Past due balances are also turned over to a collection agency the term following that in which the charges occurred. Accounts remain in the program until fully paid or have been inactive for two years. Student transcripts will not be released until collection has been received in full.

4.3 PAYING BY CHECK
The Cashier’s Office and Bookstore will accept personal checks that are made payable in the amount of the obligation to the campus the student is attending: ASU-Beebe, ASU-Beebe@Heber Springs, ASU-Beebe@LRAFB or ASU-Beebe@Searcy. This is a privilege extended for the convenience of the student. All checks must be written on bank checks; temporary and altered checks are not accepted.

A student, who presents ASU-Beebe a bad check, regardless of the reason, MUST make this check good upon notice from the Cashier’s Office. A handling charge will be assessed on all bad checks.

Personal checks up to $25 may be cashed at the Cashier’s Window.

4.4 PAYING BY PAYMENT PLAN
To help students meet educational expenses, Arkansas State University-Beebe is pleased to offer an automatic, electronic Payment Plan. The Payment Plan is a convenient tuition management plan that provides a low cost option for budgeting tuition and other educational expenses. It is not a loan program. There is no debt, no interest or finance charges, and no credit check. The only cost to budget monthly payments through the Payment Plan is a $25.00 per semester nonrefundable enrollment fee. The enrollment fee is automatically deducted upon setting up the agreement. Payments may be withheld from a checking account, debit, or credit card.

For more information on Payment Plan, please call the Cashier’s Office or visit the Cashier’s Office/Tuition webpage.

4.5 FINANCIAL RESPONSIBILITY
Student are individually responsible for their financial obligations to the University. They are expected to make prompt responses and settlement of all financial obligations. Such obligations include tuition and fees, room and board, university fines, library fines and charges, and damage charges.
4.6 BOOKSTORE SERVICE

Students can shop for textbooks in the campus bookstore or online at the ASU-Beebe Bookstore homepage. The campus stores stock all of the textbooks and learning materials needed for each course, as well as supplies, apparel, and novelty items.

Security Awareness and Crime Prevention programs are sponsored by the University Police and other campus departments throughout the year. Orientation for new and transfer students include a presentation by the University Police on crime prevention and personal safety. The Student Safety Council sponsors a Crime Watch program and typically meets twice each semester to develop crime prevention and awareness programs for the university community.

The safety and security of the campus is a community responsibility and the University Police Department encourages all members of the community to be proactive in the effort to maintain the highest level of awareness regarding security and safety.

6.2 FACILITY ACCESS AND SECURITY MEASURES
Arkansas State University-Beebe campuses are open to students, parents, employees, and visitors during business hours. After hour access is by key entry or pre-approved supervised admittance. Residence halls are secured and monitored by video surveillance 24 hours a day.
The University Police, Physical Plant, and community members work together to ensure proper working condition of exterior lighting, locking mechanisms, and landscape control in an effort to maintain the safety and security of the university campus. Any issues reported by community members or found during a routine check by the University Police are quickly responded to by the Physical Plant staff.

6.3 REPORTING EMERGENCIES AND CRIMINAL ACTIVITY

Students, employees, and visitors are encouraged to promptly report suspected criminal activity, accidents, and other emergencies to the University Police Department or the appropriate law enforcement agency through the 911 emergency system.

On-campus reports may be made by the following three methods:

- In person at the University Police campus office
- Email to any officer listed on the University Police Staff page
- By phone at 501.882.8851

Immediately upon receiving a report, UPD will begin investigating the information.

The University makes every reasonable effort to preserve an individual's privacy and protect his/her confidentiality. In some situations, disclosure may be required to protect the individual or other's safety or rights, in fairness to the persons involved, or in response to legal requirements.

As required by law, all disclosures to any university employee of an on-campus criminal act must be reported to the University Police Department.

6.4 EMERGENCY NOTIFICATION

In the event that a situation arises on or near campus, the University Police Department, in consultation with other administrative offices, such as Student Services, Dean of Students, Chancellor’s Office, etc., will determine if the situation constitutes an on-going threat to the university community and issue a “timely warning” notice, commonly called a “Campus Safety Alert.” Community members or university employees, who witness or learn of a crime or other serious incident on or near campus, should report it to the University Police Department as soon as possible so a Campus Safety Alert may be issued, if warranted.

UPD will distribute the alert by one or more of the following methods:

- Alerts posted on bulletin boards throughout the campus
- ASU-Beebe Emergency Alert Notification System
- Email announcement
- Social Media
- Website posting

The ASU-Beebe Emergency Alert Notification System uses telephones, cell phones, text, social media, email, and an external speaker system to communicate emergency situations to the university community members. All students and staff are registered automatically upon admission and/or employment.

The ASU-Beebe Emergency Alert Notification System will be used to issue alerts in the following situations:

- Building Evacuation
- Campus Evacuation
- Lockdown
- Tornado Warnings
- Inclement weather

The University Police verifies all emergencies and conducts system test at least annually.
Additionally, University Police Department publishes an **Emergency Procedures Guide**. The guide is distributed to campus offices, classrooms, and residence halls. The Emergency Procedures are also posted on the UPD webpage and printed at the end of the Student Handbook.

The Marketing and Public Relations Office will notify the community of any emergencies that affect the public at large and, also, weather related information as related to university closures.

**6.5 EMERGENCY PROCEDURES**

**Knowing what to do and who to contact when an emergency arises is a responsibility that each of us must take seriously.** Emergency procedure guidelines are included at the end of the Student Handbook. Please familiarize yourself with the material so you will be prepared if a crisis arises.

### 6.9 CLERY CRIME STATISTICS

The University Police Department prepares an annual Campus Security Act Report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Campus crime, arrest, and referral statistics include those reported to UPD, designated officials, and local law enforcement.

Non-campus property owned by the University is monitored by local law enforcement.

The UPD maintains a Daily Crime Log that records all crimes, listed by the date and incident reported, and other serious incidents that occur on campus, in non-campus buildings or property owned or operated by the University or its students “in a reasonable contiguous geographic area,” public property within, adjacent to, or immediately accessible from the campus or within the department’s patrol jurisdiction. In accordance to the Clery Act requirements, incidents are posted within two business days and may be viewed at the department’s office. The daily log may exclude certain incidents, particularly if the reporting may compromise the investigation.

The most recent Clery Reports are located at the end of this chapter and may be viewed at the University Police Office.

For more information on emergency procedures, Clery Crime Statistics, and policies and procedures, refer to the University Police webpage.

RESPONSIBILITIES AND INFORMATION

Standard traffic regulations and definitions as enacted into the motor vehicles law of the State of Arkansas will be enforced on university property at all times. Students and staff members are expected to be familiar with and abide by these regulations. TOWING AND IMPOUNDING VEHICLES

The University reserves the right to immobilize, tow, and/or impound any vehicle that is parked on university property in such a way as to constitute a serious hazard or to prohibit the normal operation of any part of the parking infrastructure at any ASU-Beebe campus. The University Police may direct an authorized commercial garage to carry out any towing action. Violators will be responsible for paying all costs for removal, impounding, and storage of such vehicles. Vehicles may be held until all charges are paid.

MOVING VIOLATION

Moving violations include all traffic laws as stated in the Arkansas Motor Vehicle and Traffic Laws and State Highway Commission Regulations. The official ASU-Beebe citation will be sufficient as a summons for violation of these rules and regulations. In lieu of a university citation, the violator may be issued a uniform traffic ticket, which will be adjudicated in municipal court.

ENFORCEMENT OF REGULATIONS

1. Arkansas State University-Beebe Police Officers are constituted peace officers by action of the Board of Trustees and under the laws of this state. They possess all authority provided by the law for city police and county sheriffs to be exercised as required for the safety and protection of the university community and are limited by the same constraints on abuse of power.
2. All appeals should follow the procedures as outlined below.
3. Persons with unregistered vehicles, who violate established Traffic and Parking Regulations (parking on sidewalks, grass, red/yellow areas, crosswalks, etc.), may be issued a uniform traffic ticket, which is payable in Municipal Court in the jurisdiction of the campus form which it is issued.
4. Any vehicle owner, who has five (5) or more traffic or parking violation notifications during any semester that have not been resolved (penalties paid or action completed by the Traffic Appeals System), may have the motor vehicle being used impounded each time the vehicle is parked on campus until outstanding charges have been resolved.
5. Any vehicle owner, who has more than eight (8) traffic or parking violations during the academic year, will have their campus parking privileges revoked for the remainder of the academic year.
6. Standard traffic regulations and definitions, as enacted into the motor vehicle code for the State of Arkansas, will be used in enforcement of campus traffic regulations.

This would include such things as excessive use of horn, loud sound systems, illegal exhaust systems, squealing of tires, or placing pedestrians or other drivers in a hazardous situation.

A person receiving notice of a traffic or parking violation is required to pay the fine levied or report to the University Police Office to appeal the violation notice within two (2) school days (excluding Saturdays, Sundays, and holidays). If this is not done, the fine will be placed against the student's accounts receivable record in the Cashier's Office.

Violation notices shall be affixed to the motor vehicle or presented to the driver. Violation tickets shall be issued in duplicate, one copy for the offender and one copy for the University Police Office. Information on violation tickets will be forwarded to the Cashier's Office for processing.
Traffic and parking records are kept from August 16 of one year to August 15 of the next year.

Participation in campus life can be a significant part of a student's educational experience. Student organizations and clubs offer students valuable opportunities to learn and develop teamwork and leadership skills. Involvement in student organizations teaches skills transferable to the world of work and provides a network with faculty and staff advisors.

Research has shown that college students who get involved outside the classroom perform better academically and are usually more satisfied with their college experience...so do not wait any longer to investigate the opportunities available to you.

There are many ways students can continue to develop leadership qualities and abilities while at ASU-Beebe. One of the main reasons to seek the college experience is for the opportunities of leadership that it provides.

CHAPTER 8
STUDENT RIGHTS, FREEDOMS, AND RESPONSIBILITIES

INTRODUCTION
A college education not only prepares you for a profession, but it is also an important step in helping you become a more productive member of society. Arkansas State University-Beebe is a learning community whose members include its students, faculty, and staff. The University offers a high quality, challenging learning environment with the basic purpose of the enlargement, dissemination, and application of knowledge.

Freedom of expression and assembly is fundamental to achieving these basic purposes, but the University must strike a balance between maximum freedom and regulations that promote the order necessary to provide an environment conducive to learning.

The guidelines in the subsequent pages are established with the following objectives:

1. Protect student’s rights
2. Facilitate the definition of student responsibilities
3. Provide avenues through which students may seek to affect change
4. Preserve the integrity of the learning community

ACADEMIC RIGHTS AND RESPONSIBILITIES
The freedom and effectiveness of the educational process depends upon the provision of satisfactory conditions and opportunities for learning. The responsibilities to secure, respect, and protect such opportunities and conditions must be shared by all members of the academic community.

The student has both rights and responsibilities as a member of the academic community. The most essential right for the student is the right to learn. The University has a duty to provide for students’ opportunities and protections that best promote the learning process. You, as a student, play a significant role in fostering and maintaining a quality academic environment for yourself and others. The most important responsibility of the student to the academic community is to refrain from interfering with the rights of others that are equally essential to the basic purposes and processes of the University.

The faculty has a central role in the educational process and the primary responsibility for the intellectual content and integrity of the University. It is the faculty’s role to encourage discussion, inquiry, and expression among students and to act as an intellectual guide and counselor. They should foster honest academic conduct and evaluate students fairly and accurately.

The establishment and maintenance of the proper faculty and student relationships are basic to the University’s function. This relationship should be founded on mutual respect and understanding and assume a common dedication to the educational process. If problems arise in this relationship, both student and faculty should attempt to resolve them in informal, direct discussions between well-intentioned and reasonable persons.

STUDENT CONDUCT PREAMBLE
The enrollment of a student at Arkansas State University-Beebe is a voluntary entrance into the academic community. Each student, who applies for admission and registers for classes, agrees that he/she will abide by the rules, regulations, and policies established by Arkansas State University-Beebe and voluntarily assumes obligations of performance and functions. These obligations may be much higher than those imposed on all citizens by civil and criminal law. Failing to maintain these higher obligations may result in the imposition of sanctions or separation from the academic community.
The following ideals are part of the collective expectation of the members of this learning community relative to personal conduct.

**Civility:** Members of a learning community should interact with others in courteous and polite manner. Members of the community have a responsibility to respect the values, opinions, and feelings of others.

**Ethical Behavior:** The pursuit of higher education is a privilege. Associated with that privilege is an obligation to aspire to a set of principles and values that demonstrate a commitment to fairness, honesty, empathy, and achievement.

**Morality:** Members of a learning community commit to ideals of appropriate human conduct. This is a lifestyle that seeks to harm no one and attempts to be a positive contributor in every interaction.

**Respect:** Every member of this community should seek to both gain and demonstrate respect. Members should hold one another in high regard. Each individual should conduct himself or herself in a manner worthy of that regard. Respect is gained by decent and correct behavior.

The learning community at Arkansas State University-Beebe does not intend to be prescriptive regarding the personal beliefs and value systems of its members. However, this community does believe that it has a right to expect its members to demonstrate personal responsibility and integrity in word and deed. When the conduct of any member falls outside the boundaries of civil, moral, and/or ethical behavior, that member can expect the community of Arkansas State University-Beebe to call such conduct into question.

Students are expected to comply with all university policies and procedures. The University reserves the right to discipline students or student organizations for inappropriate actions that occur on or off campus.

**It is a privilege, not a right, to be an Arkansas State University-Beebe student.**

It is understood that a regulation concerning every possible act of misconduct cannot be specifically stated. However, the following acts of misconduct serve as examples and apply whether they are performed singly, within a group, or at a function of an organization. These acts of misconduct could result in arrests and charges being filed under local, state, or federal laws.

**Acts of violence, threats of violence, weapons possession, and possession of illegal drugs will not be tolerated and will result in separation from the University.**

**STUDENT CONDUCT MISSION**

Arkansas State University-Beebe is dedicated to its mission of “Transforming Lives through Quality Learning Experiences” by promoting personal development and individual responsibility. To achieve this, the mission of Student Conduct is to offer a process that promotes student accountability and social responsibility.

The appropriate administrator will then consult informally with the student and the appropriate university personnel, including the individual against whom the grievance has been made, to attempt to resolve the grievance within ten (10) business days of receipt of the grievance.
If a mutually agreeable resolution is not reached, the Associate Vice Chancellor for Student Services office will send the grievance to the Grievance Committee. The Grievance Committee will review the written grievance and will either determine that there are no grounds for the grievance or schedule a hearing within ten (10) business days of receipt of the grievance.

**9.3 COMPLAINTS CONCERNING DISCRIMINATION AND/OR HARASSMENT**

Arkansas State University-Beebe does not discriminate on the basis of color, sex, sexual orientation, gender identity, race, age, national origin, religion, marital status, veteran status, genetic information or disability in any of its practices, policies or procedures. This includes, but is not limited to, employment, admissions, educational services, programs or activities which it operates or financial aid.

**TITLE IX EDUCATION AMENDMENTS**

Title IX is a comprehensive federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity.

Title IX benefits both males and females and is at the heart of efforts to create gender equitable schools. The law requires educational institutions to maintain policies, practices, and programs that do not discriminate against anyone based upon sex. Under this law, males and females are expected to receive fair and equitable treatment in all areas of public schooling including recruitment, admissions, educational programs and activities, course offerings and access, counseling, financial aid, employment assistance, facilities and housing, health and insurance benefits, marital and parental status, scholarships, sexual discrimination, and athletics. Any incidence of sexual discrimination, including sexual harassment or sexual violence, should be reported to the Title IX Coordinator, who will take prompt action to secure a full and equitable review.

**SEXUAL DISCRIMINATION**

Arkansas State University-Beebe is committed to providing an educational and work environment for its students, faculty, and staff that is free from sexual discrimination including sexual harassment, sexual assault, sexual violence, stalking, domestic violence, and dating violence. No form of sexual discrimination will be tolerated.
Sexual harassment is defined as unwelcome, gender-based verbal or physical conduct that is severe, persistent, or pervasive and occurs when:

1. Submission to or toleration of such conduct is made a term or condition of instruction, employment, or participation in other university activities.
2. Submission to or rejection of such conduct is used as a basis for employment or education decisions affecting the individual.
3. Such conduct has the effect of unreasonably interfering with an individual’s education or employment performance or creating an intimidating, hostile, or offensive university environment.

Sexual assault occurs when a person is subjected to an unwanted sexual act by force or threat, without consent. Sexual acts occur without consent when they are perpetrated against a person’s will or where a person is incapable of giving consent due to minority, intellectual impairment or use of mind altering substances such as drugs or alcohol.

Sexual violence includes sexual assault, but may also consist of an attempt to obtain a sexual act or sexual advances using coercion, which do not result in a completed sexual act.

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

Domestic violence is defined as felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of Arkansas, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the State of Arkansas.

Dating violence is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

It is important to preserve all evidence of sexual discrimination, especially if the discrimination is also a criminal offense, such as sexual assault, sexual violence, stalking, domestic violence or dating violence.

Supervisors and staff members must recognize that their positions necessarily embody unequal power relationships with their subordinates and students. Because of the inherent power differences in these relationships, the potential exists for the less powerful to perceive a coercive element in suggestions relative to activities outside those appropriate to the professional relationship. It is the responsibility of supervisors and staff members to behave in such a manner that their words or actions cannot reasonably be perceived as coercive.

Arkansas State University-Beebe has a Title IX Coordinator who is charged with investigating allegations of sexual discrimination including sexual harassment, sexual assault, sexual violence, stalking, domestic violence, and dating violence. Employees with supervisory responsibilities, including deans, vice chancellors, department chairs, faculty, student conduct personnel, human resources, athletics administrators and coaches, and university police personnel must report incidents of sexual discrimination either observed by them or reported to them to the Title IX Coordinator, who will conduct an immediate, thorough, and objective investigation of all claims. If sexual discrimination has occurred, appropriate remedial action commensurate with the severity of the offense will be taken, up to and including termination. All reports, complaints, and investigations are treated with discretion and confidentiality as maintained to the extend allowed by law.
The Title IX Coordinator will notify the appropriate law enforcement agency of all reports of sexual assault, sexual violence, stalking, domestic violence or dating violence. The person, who has allegedly been subject to sexual discrimination, may also contact law enforcement and may seek an order of protection, no contact order or similar order. The Title IX Coordinator will assist the person alleging to have been subjected to sexual discrimination with locating resources for counseling, medical treatment, legal advice, victim advocacy, or other services.

Each campus within the Arkansas State University System provided educational materials and programs on sexual discrimination. Contact the Human Resources Department or Title IX Coordinator for information on awareness and prevention of sexual discrimination.

The University reserves the right to take whatever measures it deems necessary in response to an allegation of sexual discrimination in order to protect individuals' rights and personal safety. Such measures include, but are not limited to, modification of campus living or employment arrangements, interim suspensions from campus, no contact or communications requirements, leave with or without pay, and reporting the matter to law enforcement. Persons reporting allegations of sexual discrimination must follow the Sexual Discrimination Grievance Procedure.

**RETALIATORY ACTIONS PROHIBITED**

Retaliation against a person who files a charge of discrimination, participates in an investigation, or opposes an unlawful employment practice is prohibited by law and Arkansas State University-Beebe. Any person who needs further explanation or who believes he or she has been retaliated against should contact the Title IX Coordinator.

**SEXUAL DISCRIMINATION GRIEVANCE ISSUES**

The Sexual Discrimination Grievance Procedure applies to all allegations of sexual discrimination including sexual harassment, sexual assault, sexual violence, stalking, domestic violence, and dating violence.

**REPORT OF SEXUAL DISCRIMINATION**

Any student, employee, or visitor who believes he or she has been subjected to sexual discrimination should report the incident to the Title IX Coordinator or a Deputy Title IX Coordinator. Employees with supervisory responsibilities and university police personnel must report incidents of sexual discrimination, either observed by them or reported to them, to the Title IX Coordinator. In the event the sexual discrimination allegation is against the Title IX Coordinator, the report form should be submitted to the Office of University Counsel. In order to ensure timely investigation and remedy, a sexual discrimination grievance should be activated within sixty (60) days from the time the events leading to the complaint occurred.

All complaints are investigated; however, delay in reporting impedes the ability to achieve prompt resolution. All efforts will be made to honor a request for confidentiality, but confidentiality cannot be ensured. Reports of sexual assault, sexual violence, stalking, domestic violence, and dating violence will be reported to law enforcement authorities.

Criminal investigations by any law enforcement agency or investigation conducted under the Faculty, Staff, or Student Handbooks may occur simultaneously with a sexual discrimination grievance and do not affect the grievance process.

**TITLE IX COORDINATOR'S RESPONSE**

Within forty-five (45) calendar days after receipt of a complaint, the Title IX Coordinator or designee will conduct a full and impartial investigation including interviewing the complainant, the accused, and any witnesses identified as well as reviewing any documentary evidence submitted by either party. As early as possible in the investigation, the Title IX Coordinator should determine whether temporary remedial measures are warranted, such as suspension from employment with or without pay, suspension from
classes, issuance of a no contact directive, reassignment of job duties or changing class or classroom assignments. If immediate action is required to protect the complainant, the Title IX Coordinator shall work with the appropriate administrator to implement temporary remedial measures.

The past sexual history or sexual character of a party will not be admissible by the other party in the investigation or any subsequent hearing unless the party was found to be responsible, the previous incident was substantially similar to the present allegation, and the past actions indicate a pattern of behavior consistent with the current allegations.

After studying all the pertinent facts and documents, carefully examining any policies involved, and discussing the issue with the parties and witnesses, the Title IX Coordinator shall either

1. Propose an informal resolution to the parties which, if accepted, shall be documented in writing and shall conclude the investigation or
2. Prepare a formal written report making a finding, based on the preponderance of the evidence, as to whether sexual discrimination occurred and, if so, recommend a remedy which will end the discrimination, prevent its recurrence, and remove its effects on the complainant and the university community.

The report shall be transmitted simultaneously to the complainant and the accused and implemented immediately. If both parties agree with the report, the grievance shall be closed and the remedies continued.

If either party does not agree with the finding of the Title IX Coordinator and desires to appeal, that party must submit, within five (5) working days of the date of the report, a written request to the office of the Provost (students) or the office of Human Resources (employees) to request a hearing before the Sexual Discrimination Hearing Committee. The written request will detail the alleged error of the Title IX Coordinator and the requested remedy. The office of the Provost (students) or the office of Human Resources (employees) will provide the party not appealing with a copy of the request. Within five (5) working days of the date of the letter, the party not appealing may submit a written response to the request for hearing, countering any allegations in that document. Copies will be provided to the Title IX Coordinator for placement in the case file.

Timelines may be extended by the Title IX Coordinator in extenuating circumstances.

SEXUAL DISCRIMINATION HEARING COMMITTEE COMPOSITION
The Sexual Discrimination Hearing Committee is composed of members selected by the Chancellor from the Academic Hearing Committee, the Student Conduct Committee, and the Staff Hearing Committee for that campus. The Sexual Discrimination Hearing Committee is composed of seven (7) members. When a student is the complainant, three (3) members of the committee shall be students, two (2) members faculty, and two (2) members staff; when the complainant is a staff member, the committee shall be composed of three (3) staff members, two (2) faculty members, and two (2) students; when the complainant is a faculty member, the committee shall be composed of three (3) faculty members, two (2) students, and two (2) staff. The Sexual Discrimination Hearing Committee shall have specific training on sexual discrimination.

A member of Human Resources or designee sits as ex-officio, a non-voting member of the Sexual Discrimination Hearing Committee, offering technical assistance on procedural and policy matters.

SEXUAL DISCRIMINATION HEARING COMMITTEE FUNCTIONS
The Sexual Discrimination Hearing Committee reviews the findings of the Title IX Coordinator to determine, based on the preponderance of the evidence, whether institutional error has occurred and, if so, to recommend an appropriate corrective action. Institutional error occurs when no legitimate reason exists for the action taken. Decisions which require the exercise of judgement or discretion cannot constitute institutional error.
The Committee has twenty (20) working days to prepare a written response after it has received a complaint. All proceedings shall be in closed session. Because the committee will have received the entire file from the Title IX Coordinator, including all witness statements, the hearing will not include the grievant, the party complained against, or other witnesses unless the Committee requests oral testimony or either party requests to testify and/or present witnesses.

In the event that oral testimony is requested, the grievant and the party complained against may be present and question the witnesses. If the grievance is one alleging sexual assault, sexual violence, stalking, domestic violence, or dating violence, the parties will not question the other. Instead, the party testifying before the committee shall be screened so that they may be heard by the other party but not seen. The non-testifying party shall have the opportunity to provide written questions to the committee to be asked of the testifying witness based on his or her testimony. The Committee may also question any person testifying.

Each party may have an advisor present at their own expense during the testimony that may provide personal consultation, but may not actively participate in the hearing. The parties must disclose to the Chair of the Sexual Discrimination Hearing Committee, Title IX Coordinator or the Title IX DeputyCoordinator the identity of any testifying witness or any advisor at least two (2) working days before any hearing.

The Chair shall provide the list of witnesses to each party upon receipt. No audio or video recording is permitted.

In reviewing a case, two options are open to the Sexual Discrimination Hearing Committee:

1. It may find no institutional error has occurred and recommend that no further action be taken.
2. It may find that institutional error has occurred and recommend a remedy different than that proposed by the Title IX Coordinator.

SEXUAL DISCRIMINATION HEARING COMMITTEE FINDINGS
In all instances, the Sexual Discrimination Hearing Committee shall make a record of its findings, a statement of its conclusion, including the reason or policy criteria used in reaching a decision, and its recommendations for resolution of the grievance. The Committee decision shall be forwarded to the Chancellor of the university for action. Copies will be filed with the Title IX Coordinator as a part of the complaint record and sent to the grievant and the accused.

Within ten (10) working days of receipt of the Sexual Discrimination Hearing Committee recommendation, the Chancellor will accept or reject the Committee’s recommendation in writing after a review of all file materials. The Chancellor’s decision is final. A copy of the decision shall be provided to the Title IX Coordinator to be filed as part of the complaint record and for distribution to both the complainant and the accused. The Department of Human Resources or Student Services (as appropriate) will coordinate the implementation of any remedies resulting from the grievance.

SANCTIONS
The sanctions for sexual misconduct violations are listed below. ASU-Beebe will not deviate from the range of recommended sanctions unless there is compelling justification to do so.

1. 2. Any person found responsible for violating the procedure on sexual exploitation or sexual harassment will likely receive a sanction ranging from warning to termination of employment for employees and from warning to expulsion for students, depending upon the severity of the incident and taking into account any previous incidents.

**DOCUMENT COLLECTION**

Sexual discrimination grievance proceedings are considered confidential and no person involved with the grievance may make the documents public except as required by law.
