

PLACEMENT SCORES FOR LITERACY AND ALGEBRA COURSES
IF THE PLACEMENT SCORE IS OVER FIVE YEARS OLD, THE TEST MUST BE RETAKEN

A combination of ACT and Compass scores can be used (e.g., a 19 in ACT English and an 83 in Compass reading is sufficient for Freshman English I). Passing grades in the University's developmental courses or transferred developmental courses are accepted.

**College Algebra w/ review (5 HR)	Math (0112 & 1023)	19,20	≥ 41	≥ 39	≥80 Elem. Algebra Exam	≥ 460 or τM + CR ≥ 910
**College Algebra (3 HR)	Math	≥21	≥50		≥42 College Level Math Exam	
Pre-Technical Mathematics	Math	< 16	< 22		<40 Elem. Algebra Exam	
***Technical Mathematics for Sections A, B, and M	Math	≥ 16	≥ 22		≥40 Elem. Algebra Exam	

*For students with scores below ACT19 (or equivalent) in both Reading and English, use the lower of the two scores to determine placement. For example, if a student has scored an 16 (or equivalent) in English and a 14 in Reading, use the lower number to place the student in Pre-College Literacy. The student is not eligible for Freshmen English I.

**Students with an ACT score of 19 or above may choose to enroll in Quantitative Literacy or College Algebra with Review depending on their degree requirements.

NOTES: (1) STUDENTS WHO TRANSFER WITH INTERMEDIATE ALG CR FROM ANOTHER INSTITUTION MAY TAKE EITHER QUANTITATIVE LIT OR COLLEGE ALG W/REVIEW - 5 HR (2) STUDENTS WHO HAVE TAKEN FOUNDATIONS OF ALGEBRA I OR INTERMEDIATE ALGEBRA AT ASUB OVER 2 YRS AGO WILL NEED TO TAKE THE COMPASS TO DETERMINE PLACEMENT

*****Prerequisite for Technical Mathematics C, D, and E is Math 0013 Foundations of Algebra I with a grade of CR**
