University of Arkansas at Little Rock
University of Arkansas at Little Rock (UALR) is a metropolitan public research university that offers more than 100 degree programs. Because of the university's location in the state capital, UALR students benefit from close contact with leaders in government, business, industry, medicine, information technology, and arts and culture. As the state's only metropolitan university, UALR provides a strategic focus on the needs of the community by creating active links between the campus, community, and commerce.
