

Explanation of Four Semester Plan

This degree plan is a recommended plan of study which may require adjustments to fit individual situations such as semester course load, summer courses, transfer coursework, courses repeated or developmental courses required.

This plan should be used with a degree checksheet to ensure all requirements are met for completion of the degree. Students should meet with an assigned faculty advisor at least once a semester to ensure that the plan is appropriate for the desired academic path.

ASU-Beebe currently offers a two-year Associate of Applied Science in Criminal Justice with an emphasis in four different areas: Law Enforcement, Corrections, Forensic and Wildlife Enforcement Officer. This program is offered both on the Beebe campus and online.

In cooperation with the Criminal Justice Institute, an Associate of Applied Science in Crime Scene Investigation and Law Enforcement Administration, is also offered. These programs are open only to licensed law enforcement officers.

RELATED CAREERS:

- Community Corrections
- Crime Scene Investigation
- Law Enforcement
- Law Enforcement Administration
