

Explanation of Four Semester Plan

This degree plan is a recommended plan of study which may require adjustments to fit individual situations such as semester course load, summer courses, transfer coursework, courses repeated or developmental courses required.

This plan should be used with a degree checksheet to ensure all requirements are met for completion of the degree. Students should meet with an assigned faculty advisor at least once a semester to ensure that the plan is appropriate for the desired academic path.

ASLAS: Transfer Details

The Associate of Science Liberal Arts and Sciences degree is considered a transfer degree. This means that the 35 hours of core classes are designed to prepare students to complete a bachelor's degree at a four-year institution.

The Arkansas Course Transfer System provides information about the transferability of General Education courses within Arkansas public colleges and universities. Students can use this website to assist with the choices of elective options based on transferability.

[Visit the Arkansas Course Transfer System website for details on specific courses.](#)

COURSE AVAILABILITY

All required courses for this degree can be taken during Fall and Spring semesters, some elective options may be offered only once per academic year (Fall or Spring).

Fall Semester Only:

XXX 0003 _____

Spring Semester Only:

XXX 0003 _____

*To see full course availability, please visit the Course Description section of the ASU-Beebe Catalog.

PREREQUISITE COURSES

A prerequisite is a course or requirement that must be completed before taking an advanced course. Most prerequisites require a completed grade of "C" or better.

1.
Required Course: ENG 1013 Freshman English II
Required Pre-Req: ENG 1003 Freshman English I
2.
Required Course: ENG 20XX World Lit I or II
Required Pre-Req: ENG 1013 Freshman English II
3.
Optional Course: PHSC 1204 Physical Science
Required Pre-Req: MATH 0123 Pre-College Alg **OR** Math ACT of 17 or Higher

*This list only includes prerequisites required for this degree. To see more course details, please visit the Course Description section of the ASU-Beebe Catalog.

DEVELOPMENTAL COURSES

Developmental courses are required based on placement scores. Each course listed below has a corresponding placement score (from ACT, Accuplacer, etc.) that determines which level of MATH or ENGLISH is required. Academic Advisors will assist students with registering for the correct developmental course(s) as required.

Placement test scores are not final. Students may choose to retake the Accuplacer test after discussing with an academic advisor.

Developmental courses and credit hours are not applied toward the degree plan hours.

ENGLISH:

ENG 0013 Pre-College Literacy

ENG 0023 College Literacy

*Taken with Freshman English I

MATH:

MATH 0123 Pre-College Algebra

MATH 0112 Review for College Algebra

*Taken with College Algebra

OR

MATH 0042 Review for Quantitative Literacy

*Taken with Quantitative Literacy

Please Note: All students enrolled in any of the courses above are also required to complete the 3 credit hour version of UNIV 1003 Principles of Academic Success.
