

Explanation of Four Semester Plan

This degree plan is a recommended plan of study which may require adjustments to fit individual situations such as semester course load, summer courses, transfer coursework, courses repeated or developmental courses required.

This plan should be used with a degree checksheet to ensure all requirements are met for completion of the degree. Students should meet with an assigned faculty advisor at least once a semester to ensure that the plan is appropriate for the desired academic path.

Important Information

- ART Courses must be taken in the order listed in the four semester plan. Certain course requirements are only offered in Fall or Spring semesters.
- Students who do not own a camera can rent one from the college for \$150.
- The Art Department has a \$500 scholarship for incoming Freshmen. Contact Thomas Fernandez, tpfernandez@asub.edu, for details.

PREREQUISITE COURSES

A prerequisite is a course or requirement that must be completed before taking an advanced course. Most prerequisites require a completed grade of "C" or better.

1.
Required Course: ART Graphic Design II
Required Pre-Req: ART Graphic Design I

2.
Required Course: ART Drawing II
Required Pre-Req: ART Drawing I

3.
Required Course: ART Painting I
Required Pre-Req: Completion of Drawing I with a final grade of C or higher.

DEVELOPMENTAL COURSES

Developmental courses are required based on placement scores. Each course listed below has a corresponding placement score (from ACT, Accuplacer, etc.) that determines which level of MATH or ENGLISH is required. Academic Advisors will assist students with registering for the correct developmental course as required.

Placement test scores are not final. Students may choose to retake the Accuplacer test after discussing with an academic advisor.

Developmental courses and credit hours are not applied toward the degree plan hours.

ENGLISH:

ENG 0013 Pre-College Literacy

ENG 0023 College Literacy

*Taken with Freshman English I

MATH:

MATH 0123 Pre-College Algebra

MATH 0112 Review for College Algebra

*Taken with College Algebra

OR

MATH 0042 Review for Quantitative Literacy

*Taken with Quantitative Literacy

Please Note: All students enrolled in any of the courses above are also required to complete the 3 credit hour version of UNIV 1003 Principles of Academic Success.
