

March 15, 2020

Dear Vanguard Community,

Campus meeting update

All scheduled meetings, events, activities and facility requests on all ASU-Beebe campuses have been canceled until at least April 3, 2020.

As a result, the Office of Student Life will be suspending the self-service "Room and Event Request Form" and "Event Setup & Catering Request Form." Individuals seeking to reserve a space on our campuses or plan an event must contact the Office of Student Life directly (event@asub.edu or 501-882-4491) to discuss arrangements and facility needs.

Meeting coordinators with meetings or events currently scheduled that need to be canceled or postponed, have been contacted directly by the Office of Student Life.

Guests should consult the Campus Events Calendar on this website for current status of meetings and events.

The college's food service provider, Great Western Dining, Inc., will continue food service and catering during this period. Meeting coordinators can contact Food Service Director Tim Brenner directly (tlbrenner@asub.edu or 501.882.4430) to make catering arrangements for on-campus (events after March 30, 2020) and off campus sites.

Any additional advisories about campus facilities will be posed to the ASU-Beebe Facebook page.

Zackery Tucker
Director of Student Life
Arkansas State University - Beebe
