We are pleased that many of our students have expressed an interest in receiving the COVID-19 vaccination once they became eligible. As you may know, Governor Hutchinson announced Tuesday that he was extending the COVID-19 vaccine eligibility to priority group 1-C. **Many students are eligible in this group including on-campus residents, those who work in restaurants/ foodservice, banking, transportation, delivery workers and other essential service areas. This group also includes individuals aged 16 to 64 who have underlying health conditions.** If you are interested in receiving the vaccine and are unsure if you meet priority group 1-C criteria, click on this link to access [Phase 1-C priority group criteria.](#)

Since the announcement, we have been working with Burrow's Drug store in Beebe to offer a student vaccination clinic. **We will host the student clinic on Friday, April 2, on the Beebe campus.** In preparation for the clinic, Burrow's needs to know how many students would like to receive the vaccine. **Please click on one of the links below and complete the registration process to secure a spot in the clinic.** There are limited vaccinations, and you must complete the form by the **registration deadline, 12:00 p.m. noon on Wednesday, March 31.**
