NATIONAL LIBRARY WEEK

It's National Library Week April 3-9!

National Library Week was first sponsored by the American Library Association in 1958. It is a time to celebrate our nation's libraries, the contributions from library workers, and the use and support offered in the library.

ASU-Beebe's Abington Library supports the ASU-Beebe campuses and the communities they serve by providing print and electronic resources, assisting library users in the research process, and providing space and computer access for study, research and the exchange of information.

For more information, visit <https://www.asub.edu/abington-library/>

VANGUARD WALKING CLUB

The Vanguard Walking Club encourages health and fitness. This club is open to students, faculty, staff and their family members.

The ASU-Beebe Walking Path on campus may be utilized for the Vanguard Walking Club. Walking is a moderate-intensity exercise that can be easily incorporated into your daily life. Simply walking more often can help you lose weight and belly fat, as well as provide other

excellent health benefits, such as improving mood and brain function. In fact, walking just one mile burns about 100 calories.

Use the ASU-Beebe Walking Path and/or an app (information below) to track your distance. Choose your best time of the day and walk at your own pace.

To join the Vanguard Walking Club, simply fill out the online registration form at:

<https://form.jotform.com/62786755229167> or contact Charles Burns at cburns@asub.edu.

We will contact you for more details. For more information, contact Charles Burns at cburns@asub.edu.

How to Track Miles Walked

- Since most people have a cell phone and the majority of phones have access to apps that can track your steps daily, go to either the App store for Androids, or Apple App Store for I-Phones and download an app for tracking steps.
- Simply type "pedometer" in the search bar and you are off!
- If you have an "old school" phone and it doesn't support apps, then please contact Coach Burns to borrow a pedometer if these are available.
- Some recommended apps are: Pacer and Samsung Health.
