The program was created in the fall 2021. For the 2021-22 academic year, four initiatives were funded through the program – a leadership library, math manipulatives, a drone pilot training program and monarch butterfly garden.

Vanguard Walking Club

The Vanguard Walking Club encourages health and fitness. This club is open to students, faculty, staff and their family members.

The ASU-Beebe Walking Path on campus may be utilized for the Vanguard Walking Club

Walking is a moderate-intensity exercise that can be easily incorporated into your daily life. Simply walking more often can help you lose weight and belly fat, as well as provide other excellent health benefits, such as improving mood and brain function. In fact, walking just one mile burns about 100 calories.

Use the ASU-Beebe Walking Path and/or an app (information below) to track your distance. Choose your best time of the day and walk at your own pace.

To join the Vanguard Walking Club, simply fill out the online registration form at:

<https://form.jotform.com/62786755229167> or contact Charles Burns at cburns@asub.edu.

We will contact you for more details. For more information, contact Charles Burns at

cburns@asub.edu.

How to Track Miles Walked

- Since most people have a cell phone and the majority of phones have access to apps that can track your steps daily, go to either the App store for Androids, or Apple App Store for I-Phones and download an app for tracking steps.
- Simply type “pedometer” in the search bar and you are off!
- If you have an “old school” phone and it doesn’t support apps, then please contact Coach Burns to borrow a pedometer if these are available.
- Some recommended apps are: Pacer and Samsung Health.
- You should submit your steps on either a daily basis or weekly.
- Remember, we are on the “Honor” system when it comes to reporting steps.
- Your steps should have been tracked starting Monday 04/04/22
