## Vanguard Walking Club

The Vanguard Walking Club encourages health and fitness. This club is open to students, faculty, staff and their family members.

The ASU-Beebe Walking Path on campus may be utilized for the Vanguard Walking Club.

Walking is a moderate-intensity exercise that can be easily incorporated into your daily life. Simply walking more often can help you lose weight and belly fat, as well as provide other excellent health benefits, such as improving mood and brain function. In fact, walking just one mile burns about 100 calories.

Use the ASU-Beebe Walking Path and/or an app (information below) to track your distance. Choose your best time of the day and walk at your own pace.

To join the Vanguard Walking Club, simply fill out the online registration form at:

<https://form.jotform.com/62786755229167> or contact Charles Burns at [cburns@asub.edu](mailto:cburns@asub.edu).
