

A graphic for the 2024 Spring Commencement. The year '2024' is rendered in a large, white, stylized font. The '0' is replaced by a white graduation cap (mortarboard) with a tassel hanging to the left. The '2's are stylized with a white graduation gown (mortarboard) in the center, and the '4' is a simple white numeral. Below the year, the words 'SPRING' and 'COMMENCEMENT' are written in a white, bold, sans-serif font, stacked vertically. The entire graphic is set against a dark blue background.

EMBLEMS & REGALIA

The Chancellor's Medallion of Office

The Arkansas State University-Beebe Medallion of Office is silver and blue with silver fleur edging, honoring the Vanguard spirit. It features the ASU-Beebe seal depicting the iconic campus arch with the year "1927" to commemorate the founding of the institution. The words "Arkansas State University-Beebe" appear in the blue enamel accent.

The Horizon Mace

The Horizon Mace is an ornamental staff symbolizing the power of the college. Made of native Arkansas hickory, this mace was adopted in 2016. It features large silver and blue central medallions, two with the ASU-Beebe seal and two depicting the Vanguard shield. The mace is topped with a flame symbolizing the transcendent power of education. To honor the collegial spirit at ASU-Beebe, the Horizon Mace is carried by a faculty leader.

The Legacy Mace

The Legacy Mace was handcrafted by Shep Miers and presented to ASU-Beebe by Dr. Ruth Couch in loving memory of her parents Ben and Zettie Couch. The Couch family has long supported ASU-Beebe and the Ruth L. Couch Center located on the Beebe campus. Made of walnut, this mace features the 1909 Arkansas State University System seal mounted on the flat top of the mace and a brass plaque with the original flame logo of ASU-Beebe on the front. To acknowledge the importance of all ASU-Beebe employees, the Legacy Mace is carried by a staff leader.

Academic Dress

Academic dress, called "regalia," evolved from caps and gowns worn in medieval universities. The Bachelor's and Master's gowns are usually made of plain material without trimming, while the gown for the Doctor's degree is faced on the front with velvet and has three bars of the same material across the sleeves. The Bachelor's gown has long open sleeves; the Master's has longer closed sleeves with arm slits at the elbow; and the Doctor's bell-shaped sleeves extend to the wrist.

Hoods are worn by Master's and Doctoral recipients. These hoods can be distinguished by both length and color; Master's hoods are three and one-half feet long, while Doctor's hoods are four feet. The color of the velvet hood edging is wider for the Doctoral hood than the Master's. The lining of the hood shows the official color(s) of the institution which awarded the degree. In most cases, the color of the hood or the hood edging indicates the area of study in which the degree was received.

2007 Version

Composed by Justin Johnson

Words by Nona Cheatham, Patty Wilson, and Dean King

O hail to thee ASUB
We're here to praise your name
We stand and give a cheer for you
Our school of great acclaim
We come to have our futures forged
Midst delta soil and mountain slopes;
We're all encouraged to our best
A school of plans, of dreams and hopes.
O hail to thee ASUB
She stands with you and me.
