B. STUDENT DISCIPLINARY PROCEDURES

The Adult Education Director or instructors may use their discretion in matters of discipline on a case-by-case basis. Some behaviors may result in immediate dismissal from the program. As a general guide, the following progressive consequences will be used in code of conduct discipline:

1. For the first offence, an instructor may issue a verbal warning.
2. For the second offence, the instructor will privately counsel with the students to develop strategies that will foster compliance with the code of conduct, and will complete a written reprimand to be signed by student, instructor, and the Adult Education Director.
3. For the third offence, the student will be referred to the Adult Education Director for a hearing. Certain violations of the Adult Education Center Code of Conduct, that are of extraordinarily disruptive to a comfortable and supportive learning environment, may justify the student to be referred to the Adult Education Director for a hearing on a first offence (e.g., vandalism, theft, sexual harassment, etc.)
4. The fourth offence will result in dismissal from the program.

Acts of violence, threats of violence, illegal possession of weapons, and possession of illegal drugs will not be tolerated and will result in separation from the college, and interim dismissal from the Adult Education program.

Notice of Charges.

The Adult Education Director should notify a student accused of violating the Adult Education Center Code of Conduct in writing of the charges being investigated. Notice is not required if the Adult Education Director has determined a complaint/report has no grounds for hearing.

Investigation.

If a report has been determined to have grounds for hearing, the Adult Education Director will investigate the report and the alleged violation(s). The accused student (respondent), complainant, and/or any witnesses should be required to appear at an investigative meeting with the Adult Education Director separately to discuss the complaint or gather additional information.

Interim Measures.

The Adult Education Director may impose interim or temporary action (e.g., reassignment, suspension from program, etc.), if necessary to maintain the safety or order until a hearing is held. The accused student (respondent) will receive written notification of interim action within twenty-four (24) hours of imposing them.

Student Disciplinary Hearing.

After the Adult Education Director has completed a sufficient investigation of the alleged violation(s), they will schedule a hearing with the accused student (respondent) for the accused student to respond to the materials of the investigation and allegations of the charges/ complaint. The Adult Education Director's determination must be based on the preponderance of the evidence standard, which means that it is more likely than not that the student is responsible for the alleged violation. After the hearing, the Adult Education Director should determine one of the following:

- The respondent is found responsible. Based on the preponderance of the evidence, the accused student was found to be in violation of Adult Education Center Code of Conduct.
- The respondent is found not responsible. Based on the preponderance of the evidence, the accused student was found not to have violated the Adult Education Center Code of Conduct.
- No finding. The Adult Education Director determined there was insufficient evidence to make a final determination of the accused student's responsibility. Based on the evidence presented in the investigation, there is an equal probability the respondent might have violated or not violated the Adult Education Center Code of Conduct.

The Adult Education Director will notify the respondent of their final determination following the hearing and communicate any appropriated sanctions as a result of the determination.

C. SANCTIONS

The Adult Education Director may issue the any of the following sanctions when a student is found in violation of the Adult Education Center Code of Conduct:

1. Verbal warning: A verbal disapproval issued to the student by a teacher and/or Adult Education Director;
2. Written warning – A written statement of disapproval prepared by the Adult Education Director or Instructor or Staff member and delivered to the student;
3. Reassignment to approved distance education instruction;

4. Restitution: Compensation for loss or damage incurred to the college by a member/guest of the college community;
5. Probation: A written notice prepared by the Adult Education Director and delivered to the student that any further breach of conduct will result in dismissal from the program;
6. Dismissal by the Adult Education Director from the program.
 - a. *Dismissal of Minors* - Students that are 16 or 17 years of age and dismissed may be required to re-enroll in their public school of release within five (5) days from the date of dismissal. ([Arkansas Department of Career Education, Adult Education Division Policy Manual](#))

D. APPEAL

Students found in violation of the Adult Education Center Code of Conduct may appeal decisions of the Adult Education Director within five (5) days to the Vice Chancellor for Academics. Such appeals shall be in writing and delivered to the Academic Office, State Hall, Second Floor, 1000 W. Iowa St, AR 72012.

The right to appeal a determination shall not include the right to have the complaint re-adjudicated. An appeal shall be limited to the following:

1. To determine whether the original hearing was conducted fairly, in light of the charges and evidence presented, and in conformity with prescribed procedures of giving the student a reasonable opportunity to prepare and present evidence that the Adult Education Center Code of Conduct was violated and giving the accused student a reasonable opportunity to prepare and to present a rebuttal to those allegations.
2. To determine whether the decision reached was supported by substantial evidence; that is whether the facts in the case were sufficient to establish that a violation of the Adult Education Center Code of Conduct occurred.
3. To determine whether the sanction(s) imposed were appropriate for the violation of the Adult Education Center Code of Conduct, which the student was found to have committed.
4. To consider new evidence sufficient to alter a decision or other relevant facts not brought out in the original hearing when such evidence and/or facts were not known to the person appealing at the time of the original hearing.

After review of the written appeal, the Vice Chancellor for Academics will make an appeal determination. The appeal determination will be communicated to the Respondent in writing within fourteen (14) business days from the receipt of the written appeal. The appellate determination of the Vice Chancellor for Academics is final.

ASUB Adult Ed Attendance Policy FY25

Most of Adult Education classes are considered “managed,” which means they have specific start and end times and are geared toward student mastery of particular concepts during the duration of the course. Students who are enrolled in managed classes are expected to attend a minimum of 80% of the scheduled class hours per week in order to receive the most benefit from the instruction.

For example, if a student is enrolled in classes from 8:00 a.m. to 12:00 p.m. Monday through Friday, he/she is expected to attend a minimum of 16 hours per week out of the 20 hours of instruction provided.

Students who regularly miss the expected attendance hours will be contacted by their instructor and encouraged to return to class on a consistent basis in order to attain their educational goals. If the student is unable to continue class attendance, other options might be offered, such as transitioning to distance learning or having the student attend an open class until he/she is able to attend the managed classes more regularly as expected.

Being on time for class is highly encouraged; those who enter late may disrupt others and reduce their own learning time.

Classes will be offered at certain times throughout the day and evening on each campus. **(Schedule of classes is on our website: www.asub.edu/adult-education/)**

No visitors are allowed in the classroom. Unattended children are not allowed on the campus while you are in class.

ALL CLASSES ARE FREE

5. Any vehicle owner, who has more than eight (8) traffic or parking violations during the academic year, will have their campus parking privileges revoked for the remainder of the academic year.
6. Standard traffic regulations and definitions, as enacted into the motor vehicle code for the State of Arkansas, will be used in enforcement of campus traffic regulations.
7. The City Police Department has jurisdiction rights to issue tickets on campus since Arkansas State University-Beebe is located inside the corporate limits of the cities of Beebe, Heber Springs, Jacksonville, and Searcy.

OFFENSES AND PENALTIES

Any operation of a motor vehicle that creates a disturbance on campus may be considered a traffic violation. This would include such things as excessive use of horn, loud sound systems, illegal exhaust systems, squealing of tires, or placing pedestrians or other drivers in a hazardous situation.

A person receiving notice of a traffic or parking violation is required to pay the fine levied or report to the University Police Office to appeal the violation notice within two (2) school days (excluding Saturdays, Sundays, and holidays). If this is not done, the fine will be placed against his/her account in the Cashier's Office.

Violation notices shall be affixed to the motor vehicle or presented to the driver. Violation tickets shall be issued in duplicate, one copy for the offender and one copy for the University Police Office. Information on violation tickets will be forwarded to the Cashier's Office for processing.

Traffic and parking records are kept from August 16 of one year to August 15 of the next year.

FINES

The responsibility for payment of fines incurred shall rest with the registrant. In the event registration has not been completed, payment lies with the owner and/or operator of the vehicle. Once both students have stated their side of the story and the staff has clarified and reviewed, the staff member will come to an agreement with the students on how they can get along and not disrupt the learning environment for other students. Both students and the staff member will sign the Conflict Resolution Contract. The conflict resolution meeting and contract are designed to help each student make it through the remainder of the day without any other conflicts. TITLE IX OF EDUCATION AMENDMENTS

Title IX is a comprehensive federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity.

Title IX benefits both males and females, and is at the heart of efforts to create gender equitable schools. The law requires educational institutions to maintain policies, practices, and programs that do not discriminate against anyone based upon sex. Under this law, males and females are expected to receive fair and equitable treatment in all areas of public schooling including recruitment, admissions, educational programs and activities, course offerings and access, counseling, financial aid, employment assistance, facilities and housing, health and insurance benefits, marital and parental status, scholarships, sexual discrimination and athletics. Any incidence of sexual discrimination, including sexual harassment or sexual violence, should be reported to the Title IX Coordinator, who will take prompt action to secure a full and equitable review.

SEXUAL DISCRIMINATION

Arkansas State University-Beebe is committed to providing an educational and work environment for its students, faculty, and staff that is free from sexual discrimination including sexual harassment, sexual assault, sexual violence, stalking, domestic violence, and dating violence. No form of sexual discrimination will be tolerated.

Sexual harassment is defined as unwelcome, gender-based verbal or physical conduct that is severe, persistent or pervasive and occurs when:

2. Submission to, or rejection of, such conduct is used as a basis for employment or education decisions affecting the individual; or
3. Such conduct has the effect of unreasonably interfering with an individual's education or employment performance or creating an intimidating, hostile, or offensive university environment.

Sexual assault occurs when a person is subjected to an unwanted sexual act by force or threat without consent. Sexual acts occur without consent when they are perpetrated against a person's will or where a person is incapable of giving consent due to minority, intellectual impairment, or use of mind altering substances such as drugs or alcohol.

Sexual violence includes sexual assault, but may also consist of an attempt to obtain a sexual act or sexual advances using coercion, which do not result in a completed sexual act.

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

Domestic violence is defined as felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of Arkansas, or by any other person

against an adult or youth victim who is protected from that person's acts under the domestic of family violence laws of the State of Arkansas.

Dating violence is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

It is important to preserve all evidence of sexual discrimination, especially if the discrimination is also a criminal offense, such as sexual assault, sexual violence, stalking, domestic violence or dating violence. Supervisors and staff members must recognize that their positions necessarily embody unequal power relationships with their subordinates and students. Because of the inherent power differences in these relationships, the potential exists for the less powerful to perceive a coercive element in suggestions relative to activities outside those appropriate to the professional relationship. It is the responsibility of supervisors and staff members to behave in such a manner that their words or actions cannot reasonably be perceived as coercive.

Arkansas State University-Beebe has a Title IX Coordinator who is charged with investigating allegations of sexual discrimination including sexual harassment, sexual assault, sexual violence, stalking, domestic violence, and dating violence. Employees with supervisory responsibilities and university police personnel must report incidents of sexual discrimination either observed by them or reported to them to the Title IX Coordinator, who will conduct an immediate, thorough, and objective investigation of all claims. If sexual discrimination has occurred, appropriate remedial action commensurate with the severity of the offense will be taken up to and including termination. All reports, complaints, and investigations are treated with discretion and confidentiality is maintained to the extent allowed by law.

The Title IX Coordinator will notify the appropriate law enforcement agency of all reports of sexual assault, sexual violence, stalking, domestic violence, or dating violence. The person who has allegedly been subject to sexual discrimination may also contact law enforcement and may seek an order of protection, no contact order, or similar order. The Title IX Coordinator will assist the person alleging to have been subjected to sexual discrimination with locating resources for counseling, medical treatment, legal advice, victim advocacy, or other services.

Each campus within the Arkansas State University System provides educational materials and programs on sexual discrimination. Contact the Human Resources Department or Title IX Coordinator for information on awareness and prevention of sexual discrimination.

The University reserves the right to take whatever measures it deems necessary in response to an allegation of sexual discrimination in order to protect individuals' rights and personal safety. Such measures include, but are not limited to, modification of campus living or employment arrangements, interim suspensions from campus, no contact or communications requirements, leave with or without pay, and reporting the matter to law enforcement. Persons reporting allegations of sexual discrimination must follow the Sexual Discrimination Grievance Procedure.

RETALIATORY ACTIONS PROHIBITED

Retaliation against a person who files a charge of discrimination, participates in an investigation, or opposes an unlawful employment practice is prohibited by law and Arkansas State University-Beebe. Any person who needs further explanation or who believes he or she has been retaliated against should contact the Title IX Coordinator.

SEXUAL DISCRIMINATION GRIEVANCE ISSUES

The Sexual Discrimination Grievance Procedure applies to all allegations of sexual discrimination including sexual harassment, sexual assault, sexual violence, stalking, domestic violence, and dating violence.

REPORT OF SEXUAL DISCRIMINATION

Any student, employee, or visitor who believes he or she has been subjected to sexual discrimination should report the incident to the Title IX Coordinator or a Deputy Title IX Coordinator. Employees with supervisory responsibilities and university police personnel must report incidents of sexual discrimination, either observed by them or reported to them, to the Title IX Coordinator. In the event the sexual discrimination allegation is against the Title IX Coordinator, the report form should be submitted to the University Counsel Office. In order to ensure timely investigation and remedy, a sexual discrimination grievance should be activated within sixty (60) days from the time the events leading to the complaint occurred.

All complaints are investigated; however, delay in reporting impedes the ability to achieve prompt resolution. All efforts will be made to honor a request for confidentiality, but confidentiality cannot be ensured. Reports of sexual assault, sexual violence, stalking, domestic violence and dating violence will be reported to law enforcement authorities.

Criminal investigations by any law enforcement agency or investigation conducted under the Faculty, Staff, or Student Handbooks may occur simultaneously with a sexual discrimination grievance and do not affect the grievance process.

TITLE IX COORDINATOR'S RESPONSE

Within forty-five (45) working days after receipt of a written grievance form, the Title IX Coordinator or designee will conduct a full and impartial investigation including interviewing the complainant, the accused, and any witnesses identified as well as reviewing any documentary evidence submitted by either party. As early as possible in the investigation, the Title IX Coordinator should determine whether temporary remedial measures are warranted such as suspension from employment with or without pay, suspension from classes, issuance of a no contact directive, reassignment of job duties, or change of course or classroom assignments. If immediate action is required to protect the complainant, the Title IX Coordinator shall work with the appropriate administrator to implement temporary remedial measures.

The past sexual history or sexual character of a party will not be admissible by the other party in the investigation or any subsequent hearing unless the party was found to be responsible, the previous incident was substantially similar to the present allegation, and the past actions indicate a pattern of behavior consistent with the current allegations.

After studying all the pertinent facts and documents, carefully examining any policies involved, and discussing the issue with the parties and witnesses, the Title IX Coordinator shall either

1. Propose an informal resolution to the parties which, if accepted, shall be documented in writing and shall conclude the investigation or
2. Prepare a formal written report making a finding, based on the preponderance of the evidence, as to whether sexual discrimination occurred, and if so, recommending a remedy which will end the discrimination, prevent its recurrence, and remove its effects on the complainant and the university community.

The report shall be transmitted simultaneously to the complainant and the accused and implemented immediately. If both parties agree with the report, the grievance shall be closed and the remedies continued. If either party does not agree with the finding of the Title IX Coordinator and desires to appeal, that party must submit, within five (5) working days of the date of the report, a written request to the Vice Chancellor for Student Services (students) or Director of Human Resources (employees) for a hearing before the Sexual Discrimination Hearing Committee. The written request will detail the alleged error of the Title IX Coordinator and the requested remedy. The Vice Chancellor for Student Services (students) or Director of Human Resources (employees) will provide the party not appealing with a copy of the request. Within five (5) working days of the date of the letter, the party not appealing may submit a written response to the request for hearing countering any allegations in that document. Copies will be provided to the Title IX Coordinator for placement in the case file.

Timelines may be extended by the Title IX Coordinator in extenuating circumstances.

SEXUAL DISCRIMINATION HEARING COMMITTEE COMPOSITION

The Sexual Discrimination Hearing Committee is composed of members selected by the Chancellor from the Academic Hearing Committee, the Student Conduct Committee, and the Staff Hearing Committee for that campus. The Sexual Discrimination Hearing Committee is composed of seven (7) members. When a student is the complainant, three (3) members of the committee shall be students, two (2) members faculty, and two (2) members staff; when the complainant is a staff member the committee shall be composed of three (3) staff members, two (2) faculty members, and two (2) students; when the complainant is a faculty member the committee shall be composed of three (3) faculty members, two (2) students, and two (2) staff. The Sexual Discrimination Hearing Committee shall have specific training on sexual discrimination.

A member of Human Resources or designee sits as an ex-officio, non-voting member of the Sexual Discrimination Hearing Committee, offering technical assistance on procedural and policy matters.

SEXUAL DISCRIMINATION HEARING COMMITTEE FUNCTIONS

The Sexual Discrimination Hearing Committee reviews the findings of the Title IX Coordinator to determine, based on the preponderance of the evidence, whether institutional error has occurred and, if so, to recommend an appropriate corrective action. Institutional error occurs when no legitimate reason exists for the action taken. Decisions which require the exercise of judgment or discretion cannot constitute institutional error.

The Committee has twenty (20) working days to prepare a written response after it has received a complaint. All proceedings shall be in closed session. Because the committee will have received the entire file from the Title IX Coordinator including all witness statements, the hearing will not include the grievant, the party complained against, or other witnesses unless the Committee requests oral testimony or either party requests to testify and/or present witnesses.

In the event that oral testimony is requested, the grievant and the party complained against may be present and question the witnesses. If the grievance is one alleging sexual assault, sexual violence, stalking, domestic violence or dating violence, the parties will not question the other. Instead, the party testifying before the committee shall be screened so that they may be heard by the other party but not seen. The non-testifying party shall have the opportunity to provide written questions to the committee to be asked of the testifying witness based on his or her testimony. The Committee may also question any person testifying.

Each party may have an advisor present at their own expense during the testimony, who may provide personal consultation but may not actively participate in the hearing. The parties must disclose to the Chair of the Sexual Discrimination Hearing Committee, Title IX Coordinator, or Title IX Deputy Coordinator the identity of any testifying witness or any advisor at least two (2) working days before any hearing.

The Chair shall provide the list of witnesses to each party upon receipt. No audio or video recording is permitted.

In reviewing a case two options are open to the Sexual Discrimination Hearing Committee:

1. It may find no institutional error has occurred and recommend that no further action be taken.
2. It may find that institutional error has occurred and recommend a remedy different than that proposed by the Title IX Coordinator.

SEXUAL DISCRIMINATION HEARING COMMITTEE FINDINGS

In all instances the Sexual Discrimination Hearing Committee shall make a record of its findings, a statement of its conclusion, including the reason or policy criteria used in reaching a decision, and its recommendations for resolution of the grievance. The Committee decision shall be forwarded to the Chancellor of the campus for action. Copies will be filed with the Title IX Coordinator as a part of the complaint record and sent to the grievant and the accused.

Within ten (10) working days of receipt of the Sexual Discrimination Hearing Committee recommendation, the Chancellor will accept or reject the Committee's recommendation in writing after review of all file materials. The

Chancellor's decision is final. A copy of the decision shall be provided to the Title IX Coordinator to be filed as part of the complaint record and for distribution to both the complainant and the accused. The Department of Human Resources or Student Conduct (as appropriate) will coordinate the implementation of any remedies resulting from the grievance.
