3.1 RECORDS POLICY
Arkansas State University-Beebe respects the privacy of our students and complies with all federal regulations regarding education and privacy issues.

ARKANSAS STATE UNIVERSITY SYSTEM
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY

The Family Educational Rights and Privacy Act (FERPA) require institutions of higher education to strictly protect the privacy rights of all students, who are or who have been attendance. Information contained in the student’s education records can be shared only with those persons or entities specified within Act.

The Registrar’s Office maintains a copy of the full text of the Family Educational Rights and Privacy Act of 1974, posts electronic information on FERPA, and processes all FERPA requests and challenges. Information on directory information, the types of student records maintained at Arkansas State University-Beebe, disclosure policy in relation to student consent, the procedures for gaining access to records, and the procedure for challenging the contents of those records are available in the Registrar’s Office.

3.2 DEFINITIONS
ARKANSAS STATE UNIVERSITY SYSTEM
Arkansas State University System means all the campuses within the Arkansas State University System, now and in the future.

STUDENT
Student means an individual who attends or has attended classes at ASU-Beebe. This policy does not apply to the records of applicants for admission who are not accepted to ASU-Beebe nor does it apply to applicants who are accepted, but choose not to attend ASU-Beebe.

EDUCATION RECORD
Education records are those records, files, documents, and other materials which contain information directly related to a student and are maintained by ASU-Beebe or a person acting for ASU-Beebe.
DIRECTORY INFORMATION
Directory Information is designated to be the student’s name; local and permanent physical addresses; electronic mail addresses; telephone listings; photographs and electronic images; date and place of birth; major field of study; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; degrees and awards received; and the most recent previous educational agency or institution attended by the student.

ARKANSAS STATE UNIVERSITY-BEEBE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY (FERPA)
The Family Educational Rights and Privacy Act (FERPA) requires that institutions of higher education strictly protect the privacy rights of all students who are or who have been in attendance. Information contained in the student’s education records can be shared only with those persons or entities specified within the Act. The law also provides that students have the right to review their education records for the purpose of making any necessary corrections. The Office of the Registrar maintains a copy of the full text of FERPA, posts electronic information on FERPA, and processes all FERPA requests and challenges.

3.3 DISCLOSURE OF EDUCATIONAL RECORDS
Arkansas State University-Beebe will utilize the following process to implement the provisions of the Family Educational Rights and Privacy Act.

DISCLOSURE WITH STUDENT CONSENT
A student may consent in writing to disclosure of education records. The student’s written consent must be signed, dated, and specify which records are to be disclosed, to whom, and for what purpose. The consent must be delivered to the Office of the Registrar. The student may retract the consent in writing at any time. Proper proof of identity may be required by the Registrar’s Office before consent is retracted.

DISCLOSURE WITHOUT STUDENT CONSENT
ASU-Beebe may disclose education records without the student’s written consent to any school official within the institution with a legitimate educational interest. School officials include administrators, supervisors, faculty members, instructors, support staff, members of the Board of Trustees, persons with whom ASU-Beebe has contracted for special tasks (e.g., National Student Clearinghouse), and university committee members. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. School officials of ASU are considered to be within the institution for the purposes of FERPA and may exchange education records without student consent so long as they have a legitimate educational interest.

• Disclosure without student consent may also be made to other persons and entities as allowed by FERPA.
• Faculty sponsors of registered honor societies may have access to student education records for the sole purpose of determining eligibility for membership on the basis that they are acting in an official university capacity that is integral to the educational function of ASU.
• The parents of students may exercise rights under FERPA if the student is claimed as a dependent by the parents for income tax purposes. Dependency must be proven by submission of a copy of income tax returns.

DISCLOSURE OF DIRECTORY INFORMATION
Directory information may be disclosed to any person or entity without student consent unless the student submits a completed request for non-disclosure of directory information form to the Office of the Registrar. If a student elects not to allow disclosure of directory information, ASU-Beebe cannot share information regarding the student with any person or entity including prospective employers, licensing agencies, government agencies, the media, and others. The student may retract the directory information non-disclosure in writing at any time. Proper proof of identity may be required by the Registrar’s office before the directory information non-disclosure is retracted.
INSPECTION, REVIEW, AND CORRECTION OF EDUCATION RECORDS
Students have the right to inspect and review their education records except for specific exclusions contained within the Family Educational Rights and Privacy Act. A student should contact the Office of the Registrar to arrange for inspection, review, and correction of an educational record. The Registrar may charge a fee for copies of any education records.

OWNERSHIP OF EDUCATION RECORDS
Education records are the property of ASU-Beebe. Education records, including transcripts and diplomas, will not be released to any student who has a delinquent financial obligation to the College.

3.4 FALSIFICATION OF DOCUMENTS
Falsification or alteration of any College document or document submitted for the purpose of admissions or financial aid is cause for cancellation of admission. If a misrepresentation is discovered after a candidate is admitted and registered, an administrative hearing will be conducted by the Dean of Students to determine if the student is responsible for falsification of documents. If it is determined that the student is responsible for falsification of documents, the student will be administratively withdrawn from the college. Appeals for falsification of documents must be made in writing to the Vice Chancellor for Student Services within five (5) school days. After reviewing the information, the Vice Chancellor for Student Services shall either make a determination on the appeal or send the appeal to the Appeals Committee (See Chapter 8.III.F. Appeals).

3.5 ACCEPTANCE OF TRANSFER CREDIT
Official transcripts should be submitted to the Admissions Office at the time of application to the college. Official transcripts for college level credit from institutions recognized by the Council for Higher Education Accreditation will be evaluated by the college Registrar for transfer credit.

- Grades must be equivalent to a C (2.0) average
- Courses must be determined to be equivalent to courses in the ASU-Beebe Academic Catalog or applicable towards the requirements for a degree at the institution

The college Registrar reserves the right to accept or deny transfer credits to ASU-Beebe based on the transfer institutions’ academic policies. Final approval of transfer credits rests with the Vice Chancellor for Academics.

International transcripts and academic records must be evaluated by a credential evaluation agency and mailed directly to the Admissions Office at ASU-Beebe. Contact the Admissions Office for specific information on international student requirements.

Courses accepted for transfer credit will be posted to the student’s ASU-Beebe transcript with the grade earned and the transfer institution’s course identifier and title. Transfer credit is not calculated as part of the student’s ASU-Beebe cumulative grade point average (CGPA). Credits earned will only be reflected in hours earned and may be used for degree requirements.

3.6 STUDENT CLASSIFICATION
Students are classified according to credit hours;

- Freshmen: fewer than 30 semester credit hours completed
- Sophomores: 30+ credit hours completed
- Unclassified: Students who previously completed an Associate’s degree or higher

Students must carry 12 hours per semester to be classified as full-time students. Less than 12 credit hours is considered part-time. Full-time/part-time student status may affect health and automobile insurance coverage, scholarship eligibility, and the amount of financial aid and/or veteran’s benefits received.
It is the student's responsibility to know his/her insurance policy, financial aid and scholarship renewal requirements.

3.7 ACADEMIC ADVISORS
Each student is assigned an academic advisor. Students should frequently consult with their advisor concerning educational goals, including courses, majors, and degree programs. A check sheet of required courses in various majors is available from the academic advisor and serves as a guide when selecting courses, planning a degree program, and preparing for future institutional transfers. The academic advisor is posted on the student’s Vanguard Portal home page.

IMPORTANT: Federal Aid will only pay for classes that are required for the student’s declared major as listed in the degree plan of the Catalog Year assigned to that student.

3.8 REGISTRATION
After students prepare their schedule with their academic advisor, they may register for classes on the Vanguard Portal. Registration is only permitted at scheduled times, which are published in the college Catalog that is located under the Degree Options drop-down menu on the ASU-Beebe website.

3.9 CLASS ATTENDANCE
Arkansas State University-Beebe class attendance policy requires students to attend a prescribed number of classes during each course. During a semester, a student may not miss more than twice the number of lectures, laboratory sessions, or other regular class activities that would normally be scheduled during a week. Excessive absences may result in the student receiving a “WX” or failing grade, recorded immediately. Refer to the class syllabus for specific details.

The following is the attendance policy for classes at Arkansas State University-Beebe:
- Attendance at all lectures and laboratory sessions is expected of all students and is regarded as a course requirement.
- When absences from class are excused, the student may, at the discretion of the instructor, be allowed to make-up work. The responsibility for initiating make-up work rests with the student.

Arrangements for such work are to be made with the instructor on the first day the student returns from an excused absence.
- The instructor may excuse absences for the following reasons:
  - Illness of the student that is certified by physician or in the judgment of the instructor is serious enough to warrant an excuse
  - Other personal demands, which in the judgment of the instructor are serious enough to warrant an excuse
  - External interferences judged by the instructor to be legitimate and unavoidable through normal precaution
  - Institutional functions for which a staff sponsor provides written notice to the faculty prior to the function

Students must utilize their allowable absences for any reason that requires them to miss class including, but not limited to, vacation, illness, emergency, or religious observances. If a student is aware of an upcoming absence, the student should communicate with the instructor in an effort to make the necessary arrangements concerning material and assignments and must not exceed the allowable number of absences for the course.

The exception to the above attendance policy is excused absences for military duty.
- Student must notify the faculty member in advance if they must miss a class or test due to military duty. In case of emergency, such as a natural disaster, the student must contact their instructor as soon as possible.
• The student must provide the instructor with official documentation:
  o Orders (if issued in advance)
  o Drill letter indicating the date, place, and time the student must report

If notified in advance, arrangements must be made for the student to complete test or assignment before he/she leaves for military duty. The documented time away from class due to military duty should be counted as an excused absence and not held against the student.

If an instructor considers any absence unexcused, the student may request a review of the judgement first by the Academic Dean and then by the Vice Chancellor for Academics, if necessary. This request is to be made immediately following any question about the absence.

Failure to attend class in which you are registered does not mean that you have withdrawn from the class. Contact your academic advisor for proper procedures to withdraw from a course or the semester.

3.10 INCLEMENT WEATHER
In the case of inclement weather, the college may close or delay opening. If a delay is issued, only the classes after the delayed opening time will be held that day. All classes prior to the delayed opening time will be cancelled. Any student not able to make it to campus due to hazardous road conditions should contact his/her instructors.

Campus closures or delays will be announced in the following ways:
- **Emergency Alert Activation.** ASUB Emergency Alert is activated and notifications are sent by telephone, text message, and email to students, faulty, and staff.
- **Website Notification.** Announcements will be posted to the ASU-Beebe website. View announcement on the home page web banner.
- **Social Media Announcements** will also be posted to the ASU-Beebe Facebook and Twitter pages.
  o “Like” ASU-Beebe on Facebook at: https://www.facebook.com/ASUBeebe
  o “Follow” ASU-Beebe on Twitter at: https://twitter.com/ASUBeebe or search for #asubeebe
- **Media.** Notifications are sent to designated radio, television, and print media.

3.11 CLASSROOM VISITORS
In order to preserve the learning environment of the classroom, visitors are generally not allowed. The classroom should be comprised of the instructor and enrolled students, with the exception of other appropriate college representatives. Students should first refer specific questions concerning visitors to the course instructor and then to the Academic Dean, if needed.

3.12 DROP AN INDIVIDUAL COURSE
Dropping a course is a serious decision that could have a great impact on a student’s educational opportunities. It is recommended that the student speaks with his/her Academic Advisor before making the decision to drop a course.

The step-by-step process for dropping an individual class after the open registration period, is as follows:
1. Obtain an Individual Course Drop Request form from the course Canvas page or the Registrar Forms Page on the website - one form per course.
2. Discuss the decision to drop course with the instructor and obtain course instructor’s signature on the form.
3. The instructor will keep the form and notify the Registrar’s Office to initiate the drop.

Students, who drops from a course after the end of late registration until the published drop deadline, will receive a grade of “W” on the student’s transcript, recorded immediately.
Refunds will be made according to the Refund of Fees schedule that appears in the college *Catalog* and on the Withdrawal Refunds tab on the Cashier's Office webpage.

If a student is receiving any kind of financial aid or scholarships, it is highly recommended he/she contacts the Financial Aid Office before dropping an individual course.

Students, who stop attending a course or all courses without following the appropriate drop or withdrawal procedure may receive a "WX" or failing grade(s).

### 3.13 WITHDRAWAL FROM THE SEMESTER/TERM

Students, who wish to completely withdraw (drop all courses) from the current semester/term after the open registration period, must first meet with their Academic Advisor to discuss alternatives to withdrawing. The process for withdrawing from the semester is as follows:

1. Meet with advisor to discuss the decision to withdraw from the semester.
2. Complete the online withdrawal form found on the Registrar Forms Page on the website or submit a signed copy of the withdrawal form to the Registrar's Office. The student may request a copy of the form for his/her records.

After processing the withdrawal, the Registrar’s Office will notify personnel in the appropriate offices on campus.

Refunds will be made according to the Refund of Fees Schedule that appears in the college *Catalog* and on the Cashier’s Office Withdrawal Refunds navigation tab. If a student is receiving any kind of financial aid or scholarships, it is highly recommended he/she contacts the Financial Aid Office before withdrawing for the semester/term.

Students, who withdraw from the semester or term after the end of late registration until the published drop deadline, will receive a grade of “W” on the student's transcript immediately. Students, who stop attending a course or all courses without following the appropriate drop or withdrawal procedure, may receive a “WX” or failing grade(s).

Students, who experience a major medical issue, should contact the Vice Chancellor for Student Services Office for assistance.

### 3.14 GRADES, GRADE POINT, GRADE POINT AVERAGE

Since grade point averages can affect financial aid, academic awards, admission to other institutions, and scholarships, students are strongly encouraged to stay informed about their grade point average.

A student’s grade point average is computed:

\[
GPA = \frac{\text{Total Number of Grade Points Earned}}{\text{Total Number of (All) Attempted Credits}}
\]

To determine the Total Number of Grade Points Earned, use the grading system in the table to obtain the Points Earned for each class:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Meaning</th>
<th>Points Earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Poor</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
<td>0</td>
</tr>
</tbody>
</table>
To calculate the Total Number of Grade Points Earned:
1. Multiply the Course Credit Hours by the Points Earned for each class = Quality Points
2. Add together all the Quality Points = Total Number of Grade Points Earned

The GPA is carried out to two digits past the decimal point and not rounded up. Developmental class grades are not included when computing the grade point average. Transfer credit is not calculated as part of the student’s ASU-Beebe cumulative GPA.

The grade point average may be viewed on the Unofficial Transcript in the Vanguard Portal.

3.15 REPEATED COURSES AND COMPUTATION OF GRADE POINT AVERAGE
A student may repeat a course to change the original grade. The LAST grade earned will become the official grade and will be used to calculate the cumulative grade point average (CGPA), even if the last grade earned is lower than the original attempt.

Students, who choose to repeat courses, should know:
• The exact course must be repeated to have the latest attempt replace the first attempt
• All courses attempted will remain on the transcript
• Last attempt will have an asterisk beside the letter grade [A*]
• Courses will only count toward graduation requirements once, even if both attempts are successful
• Adjustments to the cumulative GPA are not made for courses transferred from other institutions because no grade points are assigned to transfer credits
• Grades of “W”, “WX”, “I”, or “AU” will not replace the original grade
• Developmental courses are not included in the Repetition of Courses policy

3.16 ACADEMIC PROBATION AND SUSPENSION
Grades are evaluated at the end of the Fall and Spring semesters to determine if a student should be placed on academic probation or suspension. Summer terms are not evaluated.

A student will be placed on academic probation for one semester, Fall or Spring, following any semester his/her cumulative grade point average falls below a 2.00 CGPA. If the student still does not meet the minimum cumulative grade point average at the end if the probationary semester, the student will be suspended until the end of the next Fall or Spring semester.

The following is an exception to the above policy:
• If a student on academic probation makes at least a 2.00 grade point average for each probationary semester, the student will be allowed to enroll in classes the next semester.

The student will be removed from academic probation at the close of any evaluated enrollment period, Fall or Spring, for which the student’s cumulative grade point average meets the 2.00 standard.

If the student does not achieve the required minimum cumulative GPA after an evaluation period or maintain a semester grade point average of 2.00 for each probationary semester, the student will be suspended from the college for one academic semester, Fall or Spring. The student may petition for immediate readmission by:
• Obtaining a petition form and a current ASU-Beebe transcript from the Registrar’s Office.
• Submitting the completed petition and the transcript to the Admissions and Appeals Committee.

Readmission is not automatic; each case will be judged on merit.

Transfer students, who are on academic suspension status from their previous institution, are not eligible to enroll at ASU-Beebe until the suspension is complete.
3.17 ACADEMIC CLEMENCY
Academic clemency is a one-time, irrevocable recalculation of the grade point average and credit hours toward graduation after a student has been separated from all academic institutions for at least three years. In addition to the loss of grades and credits, students, who are granted academic clemency, also forfeit the use of previous placement scores and prerequisites already completed.

Students must apply for clemency through the Registrar’s Office before the first day of classes for the semester they are re-entering.

Note: Federal regulations make no provision for academic clemency. The student’s complete academic record, including courses the student has been granted academic clemency, will be included when reviewing financial aid eligibility.

3.18 ENROLLMENT SPECIAL CIRCUMSTANCES
The Enrollment Special Circumstances Committee (ESC) exists to provide a review and resolution process for students who have experienced issues with their enrollment due to extreme and unforeseen circumstances. ESC appeals must be filed by completing the ESC appeal form and submitting supporting documentation within thirty (30) days of the last date of attendance.

The Enrollment Special Circumstances Procedure shall not supersede other college grievance policies or procedures which may exist for addressing other issues of concern including grade appeals or institutional grievance, for example.

Valid Enrollment Special Circumstances Situations: Major Medical Issue, Death of a close family member, or Military Deployment.

Enrollment Special Circumstances appeal form:
https://forms.office.com/Pages/ResponsePage.aspx?id=UkJlE0f2yUeWswuS79tZRv3AHo7qG9OpQGzlwyerRtUNEFQNFmzTkIWtWJQVdUVUY4SkxMSVFYMi4u

Students will use their official ASU-Beebe student email for all communication regarding their appeal.

3.19 TRANSCRIPTS
A transcript is the complete and official record of academic work. It will be required when transferring to another institution of higher education, when seeking employment, and on many other occasions.

Official transcripts may be ordered through the National Student Clearinghouse at www.studentclearinghouse.org for a nominal fee.

Students may receive a free official transcript by completing the request in the Registrar’s Office in-person. Transcripts will not be issued if the student has any past due financial obligation to the college.

Transcripts from other institutions, which have been presented for admission or evaluation of credit, become a part of the student’s permanent record and are not reissued. Transcripts from other institutions, including High School, must be obtained directly from the original issuing institution.

For more information about obtaining an official transcript, visit the Registrar’s Office webpage. Unofficial transcripts may be viewed and printed from the Vanguard Portal, located under the Academics tab.

3.20 ACADEMIC DISTINCTION
Academic achievement is recognized in the following ways at Arkansas State University-Beebe:
• The Chancellor’s List
  o Students with a 4.00 GPA and at least 15 credit hours
• Students are eligible to participate in the Honors Program the following semester
  • Award published at the end of each Fall and Spring semester

• The Dean’s List
  • Students with a 3.50 - 3.99 GPA and at least 15 credit hours
  • Award published at the end of each Fall and Spring semester

• Academic Leadership and Achievement Award
  • Two sophomores from each division are honored at Spring Commencement

• Outstanding Citizenship Award
  • A sophomore male and a sophomore female are awarded based upon outstanding citizenship

Each semester, students named to the Chancellor’s List and Dean’s List receive a scholastic achievement certificate from the college.

Students in the Honors Program, who complete all requirements, will have “Graduate of the Arkansas State University-Beebe Honors Program” on their transcript.

Graduates with a 3.75 or better GPA will be recognized at commencement.

3.21 APPLICATION FOR GRADUATION
Students requesting consideration for graduation must complete an Application for Graduation prior to the published deadline for the semester or term. Students should apply through the Vanguard Portal, Academics >> Forms tab.

In certain situations, the advisor or Academic Dean may allow a substitute for a program requirement. The college Registrar must be informed of this request prior to conferring the student’s degree or certificate. The Vice Chancellor for Academics has final approval of substitution request.

The appropriate degree or certificate will be conferred once all academic requirements have been met and all obligations to the college have been completed. There is no charge to apply for graduation.

GRADUATION REQUIREMENTS
Graduation requirements for a student seeking a degree or certificate include:

• Admission as a degree-seeking student to the college unless enrolled as a high school student through the Regional Career Center or Concurrent Credit program.
• Successful completion of all program requirements with minimum cumulative grade point average of 2.00
• Minimum of 15 semester credit hours completed at ASU-Beebe
• Satisfaction of all financial obligations to the college

For additional information on graduation requirements, please refer to the Registrar’s Office or the college Catalog under which the student enrolled.

4.1 STUDENT FEES AND ACCOUNTS
When students register for classes, an account receivable record is created. Students should pay their student account balance in full or have other payment arrangements on file by the payment due date; otherwise, they may be dropped from classes for non-payment.

Payment due dates are included in the Academic Calendar and posted on the Cashier’s Office webpage. Room and board charges must either be paid in full upon moving into the Residence Halls or included in the Payment Plan.

All financial obligations must be settled in full before grades, transcripts, or other official records will be released.

4.2 ACCOUNTS RECEIVABLE POLICY
Students can pay their accounts receivable account at the time they register for courses or anytime up through the required payment date for each term.

The methods of payment are:
- Payment in full (cash, check, and/or credit card)
- Enrollment in the Payment Plan
- Approved Financial Aid or Scholarships
- Payment Authorization from a Third-Party Agency

The Cashier’s Office and Bookstore will accept Visa, MasterCard, Discover, and American Express.

ASU-Beebe LRAFB does not accept cash payments due to U.S. Air Force restrictions.

If paying online through the Vanguard Portal, students have the option to pay in full with a credit card or to pay by installments through the Payment Plan. There is $25 enrollment fee per semester for the Payment Plan.

The last day to pay for each term is the day before the classes begin.

No subsequent enrollment is allowed if a student owes an accounts receivable balance from a prior semester. The student billing account is flagged to prevent registration.
Other accounts receivable balances could occur such as residence hall charges for hall damages or lost keys, or university fines for student traffic tickets or tobacco violations. The Dean of Students or University Police will notify the student of these charges and request the Cashier’s Office add the amounts to the student’s account receivable record.

Returned checks are sent to the Cashier’s Office from the banks for insufficient funds, stop payments, or closed accounts. Collection activities for these items will be implemented until payment is received in full. Returned checks will prevent enrollment and could be sent to the Prosecuting Attorney’s Office for collection and/or prosecution if not paid.

Past due balances from prior semesters are turned over to the Arkansas Department of Finance and Administration for collection through the Debt Set Off program. Accounts remain in the program until fully paid or inactive for two years. Past due balances are also turned over to a collection agency the term following that in which the charges are incurred. Student transcripts will not be released until collection has been received in full.

4.3 PAYING BY CHECK
The Cashier’s Office and Bookstore will accept personal checks that are made payable in the amount of the obligation to the campus the student is attending: ASU-Beebe, ASU-Beebe Heber Springs, ASU-Beebe LRAFB or ASU-Beebe Searcy. This is a privilege extended for the convenience of the student. All checks must be written on bank checks; temporary and altered checks are not accepted.

A student, who presents ASU-Beebe a bad check, regardless of the reason, MUST make this check good upon notice from the Cashier’s Office. A handling charge will be assessed on all bad checks.

Personal checks up to $25 may be cashed at the Cashier's Window.

4.4 PAYING BY PAYMENT PLAN
To help students meet educational expenses, Arkansas State University-Beebe is pleased to offer an automatic, electronic Payment Plan. The Payment Plan is a convenient tuition management plan that provides a low-cost option for budgeting tuition and other educational expenses. It is not a loan program. There is no debt, no interest or finance charges, and no credit check. The only cost to budget monthly payments through the Payment Plan is a $25.00 nonrefundable enrollment fee per semester. The enrollment fee is automatically deducted upon setting up the agreement. Payments may be withheld from a checking account, savings account, or debit or credit card.

For more information on Payment Plan, please call the Cashier’s Office or visit the Cashier’s Office/Tuition webpage.

4.5 FINANCIAL RESPONSIBILITY
Student are individually responsible for their financial obligations to the college. They are expected to make prompt responses and settlement of all financial obligations. Such obligations include tuition and fees, room and board, university fines, library fines and charges, and damage charges.

4.6 BOOKSTORE
ASU-Beebe Bookstore, operated by Textbook Corner, stocks all of the textbooks and learning materials needed for courses offered at ASU-Beebe. In addition to educational supplies and book purchases and/or rentals, the store will also carry ASU-Beebe branded items and attire, as well as A-State gear.

6.1 SECURITY AWARENESS AND CRIME PREVENTION
Security Awareness and Crime Prevention programs are sponsored by the University Police and other campus departments throughout the year. Orientation for new and transfer students include a presentation by the University Police on crime prevention and personal safety. The Student Safety Council sponsors a Crime Watch program and typically meets twice each semester to develop crime prevention and awareness programs for the college community.

The safety and security of the campus is a community responsibility and the University Police Department encourages all members of the community to be proactive in the effort to maintain the highest level of awareness regarding security and safety.

6.2 FACILITY ACCESS AND SECURITY MEASURES
Arkansas State University-Beebe campuses are open to students, parents, employees, and visitors during business hours. After hour access is by key entry or pre-approved supervised admittance. Residence halls are secured and monitored by video surveillance 24 hours a day.
The University Police, Physical Plant, and community members work together to ensure proper working condition of exterior lighting, locking mechanisms, and landscape control in an effort to maintain the safety and security of the college campus. Any issues reported by community members or found during a routine check by the University Police are responded to by the Physical Plant staff.

6.3 REPORTING EMERGENCIES AND CRIMINAL ACTIVITY
Students, employees, and visitors are encouraged to promptly report suspected criminal activity, accidents, and other emergencies to the University Police Department or the appropriate law enforcement agency through the 911 emergency system.

On-campus reports may be made by the following three methods:

- In person at the University Police campus office
- Email to any officer listed on the University Police Staff page
- By phone at 501.882.8851

Upon receiving a report, UPD will begin the process for investigating the information.

The college makes every reasonable effort to preserve an individual’s privacy and protect his/her confidentiality. In some situations, disclosure may be required to protect the individual or other’s safety or rights, in fairness to the persons involved, or in response to legal requirements.

**As required by law, all disclosures to any university employee of an on-campus criminal act must be reported to the University Police Department.**

6.4 EMERGENCY NOTIFICATION
In the event that a situation arises on or near campus, the University Police Department, in consultation with other administrative offices, such as Student Services, Dean of Students, Chancellor’s Office, etc., will determine if the situation constitutes an on-going threat to the college community and issue a “timely warning” notice, commonly called a “Campus Safety Alert.” Community members or university employees, who witness or learn of a crime or other serious incident on or near campus, should report it to the University Police Department as soon as possible so a Campus Safety Alert may be issued, if warranted.

UPD will distribute the alert by one or more of the following methods:

- Alerts posted on bulletin boards throughout the campus
- ASU-Beebe Emergency Alert Notification System
- Email announcement
- Social Media
- Website posting

The ASU-Beebe Emergency Alert Notification System uses telephones, cell phones, text, social media, email, and an external speaker system to communicate emergency situations to the college community members. All students and staff are registered automatically upon admission and/or employment.

The ASU-Beebe Emergency Alert Notification System will be used to issue alerts in the following situations:

- Building Evacuation
- Campus Evacuation
- Lockdown
- Tornado Warnings
- Inclement weather

The University Police verifies all emergencies and Human Resources conducts system test at least annually.
Additionally, University Police Department publishes an **Emergency Procedures Guide**. The guide is distributed to campus offices, classrooms, and residence halls. The Emergency Procedures are also posted on the UPD webpage and printed at the end of the Student Handbook.

The Marketing and Public Relations Office will notify the community of any emergencies that affect the public at large and, also, weather related information as related to university closures.

### 6.5 EMERGENCY PROCEDURES

**Knowing what to do and who to contact when an emergency arises is a responsibility that each of us must take seriously.** Emergency procedure guidelines are included at the end of the Student Handbook. Please familiarize yourself with the material so you will be prepared if a crisis arises.

### 6.6 MISSING STUDENT NOTIFICATION

In accordance with the Higher Education Reauthorization Act of 2008, all residence hall students are asked to supply an emergency contact person at the time of check-in that will be notified should the student be missing for 24 hours. ### 6.8 CAMPUS SEX CRIMES PREVENTION ACT

The **Campus Sex Crimes Prevention Act** (section 1601 of Public Law 106-386) is a federal law that provides for the tracking of convicted, registered sex offenders who are working, volunteering, or enrolled as students at institutions of higher education.

The Act requires sex offenders already required to register in a state to provide notice to each institution of higher education in that state at which the person works, volunteers, or is a student. It also requires institutions of higher education to issue a statement advising the campus community where its members may obtain information concerning registered sex offenders.

To inquire about registered sex offenders at your campus, contact the following departments:
For more information regarding Campus Sex Crimes Prevention Act, please contact University Police.

6.9 CLERY CRIME STATISTICS
The University Police Department prepares an annual Campus Security Act Report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Campus crime, arrest, and referral statistics include those reported to UPD, designated officials, and local law enforcement.

Non-campus property owned by the college is monitored by local law enforcement.

The UPD maintains a Daily Crime Log that records all crimes, listed by the date and incident reported, and other serious incidents that occur on campus, in non-campus buildings or property owned or operated by the college or its students “in a reasonable contiguous geographic area,” public property within, adjacent to, or immediately accessible from the campus or within the department’s patrol jurisdiction. In accordance to the Clery Act requirements, incidents are posted within two business days and may be viewed at the department’s office. The daily log may exclude certain incidents, particularly if the reporting may compromise the investigation.

The most recent Clery Reports may be viewed at the University Police webpage or in the physical office on the Beebe campus.

For more information on emergency procedures, Clery Crime Statistics, and policies and procedures, refer to the University Police webpage.

6.10 FIRE SAFETY
The University Police Department maintains a Fire Log record of all alarms and actual fire events and prepares an Annual Fire Safety Report. Contact the University Police Department for more information on viewing the report.

6.11 CAMPUS TOBACCO USE POLICY
Effective June 1, 2009, the tobacco use policy at Arkansas State University-Beebe is as follows:

Smoking and the use of all tobacco products is strictly prohibited anywhere on university property, including inside vehicles parked on university property.

Tobacco use includes, but is not limited to, the carrying by a person of a lighted cigar, cigarette, pipe, or other lighted smoking device, e-cigarettes, or the use of smokeless tobacco products, including snuff, chewing tobacco, smokeless pouches, or any other loose leaf, smokeless tobacco.

Smoking and the use of tobacco products is prohibited in university vehicles.

Fines from $100 to $500 may be charged to violators of the Campus Tobacco Use Policy.
6.12 WEAPONS POLICY

PURPOSE
The Arkansas State University System is dedicated to providing an educational and social climate, which is conducive to the safety of all members of the college community. Acts of violence on University campuses have proven that weapons pose a serious threat to the safety of persons and property.

ARKANSAS STATE UNIVERSITY SYSTEM WEAPONS POLICY
No person shall possess, discharge, or otherwise use any weapon at any campus, office, building, or event that is part of the Arkansas State University System, except as authorized by this policy. This prohibition extends to individuals having such weapons on their persons, including in briefcases, purses, handbags, backpacks, or other carrying cases; in personal vehicles or storage boxes contained in or affixed to their personal vehicles; or among other personal property or effects. LAWFUL POSSESSION OF A WEAPON ON CAMPUS

In 2017, Act 562 and Act 859 were signed into law. These new Acts allow a person, who meets certain qualifications, to carry a concealed handgun on a University campus. Effective September 1, 2017, a person in possession of a concealed carry license and who has also obtained an enhanced training endorsement from the Arkansas State Police may possess a concealed handgun on campus, subject to the restrictions as allowed by law. A concealed carry licensee may lawfully store a concealed handgun in his or her locked and unattended vehicle in a publicly owned and maintained parking lot.

A person who has a concealed carry license, along with an enhanced permit, may not possess a concealed handgun at the following locations:

a. Locations where collegiate athletic events are taking place.

c. Daycare facilities.
d. Other locations where possession of a concealed handgun is prohibited by state or federal law.

Employees of the ASU System may lawfully possess a concealed handgun on campus if they have a concealed carry license and they have obtained an enhanced training endorsement from the Arkansas State Police. An employee, who possesses a concealed handgun under this policy, is not acting in the course of or scope of their employment when carrying or using the handgun and is not entitled to workers’ compensation benefits for injuries arising from his or her own negligent acts in possessing or using a concealed handgun and is not immune from personal liability with respect to possession or use of a concealed handgun.

VIOLATIONS

Citations are also issued for blocking disability ramp space, recessed street, and sidewalk access areas.

Transfer of disability license or placard is a violation of the Arkansas state law. Offenders will receive citations.

RESPONSIBILITIES AND INFORMATION
Standard traffic regulations and definitions as enacted into the motor vehicles law of the State of Arkansas will be enforced on university property at all times. Students and staff members are expected to be familiar with and abide by these regulations. If a member of the college community is not cited for breaking the traffic regulation, it does not imply that the regulation is no longer in effect.

Pedestrians have the right-of-way at designated crosswalks at all times.

School buses, large vehicles, and other special purpose vehicle will be required to park in areas designated by a University Policy Officer.

Motorcycles, motorbikes, etc. must be operated on streets designated for normal automobile use. Parking for non-motorized and 50 cc or less moped-type vehicles will be restricted to designed parking areas. Bicycle racks are available on campus.

Arkansas State University-Beebe assumes NO responsibility for the care and/or protection of any vehicle or its contents at any time while it is on campus. For protection, lock your vehicle and place valuables in the trunk area.

All vehicle operators will observe and obey the orders of University Police Officers in performance of their duties. This includes rendering and producing identification and registration when requested. All campus vehicle accidents must be reported to the University Police Office.

TOWING AND IMPOUNDING VEHICLES
The college reserves the right to immobilize, tow, and/or impound any vehicle that is parked on university property in such a way as to constitute a serious hazard or to prohibit the normal operation of any part of the parking infrastructure at any ASU-Beebe campus. The University Police may direct an authorized commercial garage to carry out any towing action. Violators will be responsible for paying all costs for removal, impounding, and storage of such vehicles. Vehicles may be held until all charges are paid.
MOVING VIOLATION
Moving violations include all traffic laws as stated in the Arkansas Motor Vehicle and Traffic Laws and State Highway Commission Regulations. The official ASU-Beebe citation will be sufficient as a summons for violation of these rules and regulations. In lieu of a university citation, the violator may be issued a uniform traffic ticket, which will be adjudicated in municipal court.

ENFORCEMENT OF REGULATIONS
1. Arkansas State University-Beebe Police Officers are constituted peace officers by action of the Board of Trustees and under the laws of this state. They possess all authority provided by the law for city police and county sheriffs to be exercised as required for the safety and protection of the college community and are limited by the same constraints on abuse of power.
2. All appeals should follow the procedures as outlined below.
3. Persons with unregistered vehicles, who violate established Traffic and Parking Regulations (parking on sidewalks, grass, red/yellow areas, crosswalks, etc.), may be issued a uniform traffic ticket, which is payable in Municipal Court in the jurisdiction of the campus form which it is issued.
4. Any vehicle owner, who has five (5) or more traffic or parking violation notifications during any semester that have not been resolved (penalties paid or action completed by the Traffic Appeals System), may have the motor vehicle being used impounded each time the vehicle is parked on campus until outstanding charges have been resolved.
5. Any vehicle owner, who has more than eight (8) traffic or parking violations during the academic year, will have their campus parking privileges revoked for the remainder of the academic year.
6. Standard traffic regulations and definitions, as enacted into the motor vehicle code for the State of Arkansas, will be used in enforcement of campus traffic regulations.
7. The City Police Department has jurisdiction rights to issue tickets on campus since Arkansas State University-Beebe is located inside the corporate limits of the cities of Beebe, Heber Springs, Jacksonville, and Searcy.

OFFENSES AND PENALTIES
Any operation of a motor vehicle that creates a disturbance or hazard on campus may be considered a traffic violation. This would include such things as excessive use of horn, loud sound systems, illegal exhaust systems, squealing of tires, or placing pedestrians or other drivers in a hazardous situation.

A person receiving notice of a traffic or parking violation is required to pay the fine levied or report to the University Police Office to appeal the violation notice within two (2) school days (excluding Saturdays, Sundays, and holidays). If this is not done, the fine will be placed against the student's accounts receivable record in the Cashier's Office.

Violation notices shall be affixed to the motor vehicle or presented to the driver. Violation tickets shall be issued in duplicate, one copy for the offender and one copy for the University Police Office. Information on violation tickets will be forwarded to the Cashier's Office for processing.

Traffic and parking records are kept from August 16 of one year to August 15 of the next year.

FINES
The responsibility for payment of fines incurred shall rest with the registrant. In the event registration has not been completed, payment lies with the owner and/or operator of the vehicle. Persons violating these rules and regulations, while using a motor vehicle on campus, may be charged under the college's system of administrative charges as noted. CHAPTER 7
CAMPUS ORGANIZATIONS AND ACTIVITIES

7.1 FORMATION OF NEW STUDENT ORGANIZATIONS
New student organizations may be formed on the campus as the need develops. No group may be officially formed until it has received a charter and approval from the Dean of Students.

There are procedures that must be followed in forming an ASU-Beebe Registered Student Organization (RSO). A group wishing to be recognized by the college must submit a petition to establish a student organization with the Dean of Students. The petition must include:

- Name of the Organization. No organization shall use a name identical or closely similar to the name of a previously recognized organization.
- Declaration of Purpose, Goals, and Activities (purpose statement) of the Organization. The purpose must not violate human rights, discriminate against any group, or support any cause that may create emotional or physical endangerment.
- Name, ID Numbers, and Signatures of at least ten (10) students, of which at least six (6) will return the following year and commit to be members. This ensures there is sufficient, sustainable interest in the creation and longevity of a new organization.

After the petition is certified by the Dean of Students, the Dean of Students will convene a resolution to the appropriate Student Senate for approval and declaration of the organization as a provisional RSO.

During the time as a provisional RSO and application for recognition is being considered, the group may not sponsor speakers or other activities in the name of the proposed organization. The group will be permitted to conduct three (3) informational or interest meetings while seeking recognition.

The provisional RSO will have up to three (3) months to select an advisor, develop a constitution and/or by-law, elect officers, and maintain at least ten (10) qualified members, of which at least six (6) will return the following year. The following information is required in the constitution:

1. Name of the Organization - No organization shall use a name identical to or closely similar to the name of a previously recognized organization.
2. Declaration of Purpose, Goals, and Activities (purpose statement) of the Organization - The purpose must not violate human rights, discriminate against any group, or support any cause that may create emotional or physical endangerment.
3. A List of Officers by Title and any Specific Function(s) of the Officers - Officers must have at least a 2.00 cumulative grade point average (CGPA) and not be on disciplinary probation.
5. Membership Eligibility Requirements.
6. Frequency of Meetings - Specification for a special or called meeting and define what constitutes a quorum.
7. Provisions for an Advisor (full-time employment at ASU-Beebe) - State who will choose the advisor and define the role of the advisor.
8. Organization Finance - A statement on membership dues, how the organization will collect, disburse, and manage the funds from a college agency account, define what constitutes a fiscal year, and positions that need to sign an Agency Form before a check or payment can be processed.
9. Arrangements for Standing or other Special Committees must be specified.
10. Provisions for Amendments to the Constitution and define what is the majority vote needed to approve the amendment.
For more information on the formation of new student organizations or to acquire the necessary forms, please contact Student Life at 501.882.4491.

7.2 MASS MEETINGS
ASU-Beebe highly regards the First Amendment that guarantees the freedom of speech, freedom of expression, and the right to peaceful assembly. In order to achieve this objective while at the same time insuring that the institution fulfills its educational mission, the college has the responsibility to regulate the time, place, and manner of expression through compliance to the Arkansas Act 184 of 2019 and the *ASU System’s Freedom of Expression Operating Procedure*.

RSO student leaders or advisor may reserve indoor space to host meetings and events by complete the Room & Event Request Form through the Campus Event Calendar at [http://www.asub.edu/asub-calendar/](http://www.asub.edu/asub-calendar/) or calling the Office of Student Life at 501.882.4491.

7.3 ORGANIZATION ADVISORS
Advisors must be present at all co-curricular student activities. They must be named at the time the event is scheduled. The advisor must be a full-time faculty/staff member at ASU-Beebe. An RSO that does not have an advisor will immediately become inactive until one is obtained. Advisors are expected to be actively involved in the affairs of their RSO and assist the RSO in adhering to purposes, activities, and projects that are within the limits of the college policy. Advisors should be familiar with policies and procedures applicable to RSOs, the constitution and purpose statement of the organization they advise, and the activities and projects undertaken by the RSO. An advisor must sign the Advisor Agreement Form each year. The advisor selection is approved by the Executive Council member for the area in which the advisor works. An RSO may have more than one advisor.

7.4 ELIGIBILITY TO HOLD OFFICE
No student, who is on academic or disciplinary probation, may serve as an elected officer of a campus organization. A cumulative grade point of 2.00 and a grade point average of 2.00 for the previous semester are prerequisites to holding any office.

7.5 ACTIVITY CALENDAR
A master calendar of activities is maintained by the Student Life Office. All events, both on and off campus, involving students and faculty must be scheduled on the Campus Event Calendar.

RSO student leaders or advisor may reserve indoor space to host meetings and events by complete the Room & Event Request Form through the Campus Event Calendar at [http://www.asub.edu/asub-calendar/](http://www.asub.edu/asub-calendar/) or calling the Office of Student Life at 501.882.4491.

7.6 JOINING A STUDENT ORGANIZATION
Participation in campus life can be a significant part of a student’s educational experience. Student organizations and clubs offer students valuable opportunities to learn and develop teamwork and leadership skills. Involvement in student organizations teaches skills transferable to the world of work and provides a network with faculty and staff advisors. Research has shown that college students who get involved outside the classroom perform better academically and are usually more satisfied with their college experience...so do not wait any longer to investigate the opportunities available to you.

There are many ways students can continue to develop leadership qualities and abilities while at ASU-Beebe. One of the main reasons to seek the college experience is for the opportunities of leadership that it provides.

The Office of Student Life manages RSO using the web-based management software Mosaic. From Mosaic, students may request to join various student organizations, receive messages from club leaders, and find approved schedule events. Students interested in learning more about student organizations at
ASU-Beebe are encouraged to visit the Mosaic platform linked on ASU-Beebe’s website, http://www.asub.edu/student-life/student-organizations.aspx.

**7.7 REGISTERED STUDENT ORGANIZATION (RSO) HANDBOOK**

RSOs are governed by the Student Government Association and the Dean of Students.

To encourage best practices of student organizational management, while promoting engagement and support of a larger campus life, the Office of Student Life has developed and publishes the RSO Handbook annually. The RSO Handbook is a detailed guide and resource for operating a RSO, and outlines specific responsibilities, procedures, and requirements for maintaining a RSO at ASU-Beebe. The RSO Handbook includes topics on finances, fundraising, advisors, event & activity planning, publicity, recruitment, risk management, RSO recognition, and how-to-use and manage a club profile in the Mosaic platform.

CHAPTER 8
STUDENT RIGHTS, FREEDOMS, AND RESPONSIBILITIES

INTRODUCTION
A college education not only prepares you for a profession, but it is also an important step in helping you become a more productive member of society. Arkansas State University-Beebe is a learning community whose members include its students, faculty, and staff. The college offers a high quality, challenging learning environment with the basic purpose of the enlargement, dissemination, and application of knowledge.

Freedom of expression and assembly is fundamental to achieving these basic purposes, but the college must strike a balance between maximum freedom and regulations that promote the order necessary to provide an environment conductive to learning.

The guidelines in the subsequent pages are established with the following objectives:
1. Protect student’s rights
2. Facilitate the definition of student responsibilities
3. Provide avenues through which students may seek to affect change
4. Preserve the integrity of the learning community

FREEDOM OF EXPRESSION AND ASSEMBLY
ASU-Beebe highly regards the First Amendment that guarantees the freedom of speech, freedom of expression, and the right to assemble peaceably. ASU-Beebe remains firmly committed to affording each member of the campus community the opportunity to engage in peaceful and orderly protests and demonstrations. However, these activities must not disrupt the educational mission of the college. Additionally, such opportunities must be provided on an equal basis and adhere to the basic principle that the college will remain neutral as to the content of any public demonstration. In order to achieve this objective, while at the same time insuring that the institution fulfills its educational mission, the college has the responsibility to regulate the time, place, and manner of expression through compliance to the Arkansas Act 184 of 2019 and the ASU System’s Freedom of Expression Operating Procedure.

LAWFUL LIMITATIONS ON EXPRESSIVE ACTIVITIES
All outdoor areas of the campus shall be deemed a public forum for members of the campus community. This does not include outdoor areas where access by a majority of members of the campus community is restricted. Members of the campus community who want to engage in non-commercial expressive activities may do so freely in the outdoor areas as long as the activity is 1) not unlawful, 2) does not materially and substantially disrupt the functioning of a state supported institution, and 3) does not materially and substantially disrupt another person's expressive activity.

USE OF CAMPUS PROPERTY FOR COLLEGE SPONSORED ACTIVITIES AND EVENTS
All outdoor areas, owned and operated by the campus, shall be made available for use by ASU-Beebe for college sponsored activities and events. Official college activities and events on campus have precedence over all other events and activities taking place on campus. Any expressive activity that occurs at a location reserved for a college sponsored activity or event shall be accommodated at another outdoor area of campus so long as the accommodation is consistent with this policy.

COMMERCIAL SPEECH
This policy does not apply to commercial speech. Off-campus individuals and organizations are not allowed to conduct or solicit commercial sales or distribute commercial pamphlets, handbills, circulars, newspapers, magazines and other written material on-campus. Parties having a contract with the campus authorizing commercial advertising shall be allowed to distribute or post commercial material in accordance with the terms of their contract.
ACADEMIC RIGHTS AND RESPONSIBILITIES
The freedom and effectiveness of the educational process depends upon the provision of satisfactory conditions and opportunities for learning. The responsibilities to secure, respect, and protect such opportunities and conditions must be shared by all members of the academic community.

The student has both rights and responsibilities as a member of the academic community. The most essential right for the student is the right to learn. The college has a duty to provide for students’ opportunities and protections that best promote the learning process. You, as a student, play a significant role in fostering and maintaining a quality academic environment for yourself and others. The most important responsibility of the student to the academic community is to refrain from interfering with the rights of others that are equally essential to the basic purposes and processes of the college.

The faculty has a central role in the educational process and the primary responsibility for the intellectual content and integrity of the college. It is the faculty’s role to encourage discussion, inquiry, and expression among students and to act as an intellectual guide and counselor. They should foster honest academic conduct and evaluate students fairly and accurately.

The establishment and maintenance of the proper faculty and student relationships are basic to the college’s function. This relationship should be founded on mutual respect and understanding and assume a common dedication to the educational process. If problems arise in this relationship, both student and faculty should attempt to resolve them in informal, direct discussions between well-intentioned and reasonable persons.

STUDENT CONDUCT PREAMBLE
The enrollment of a student at Arkansas State University-Beebe is a voluntary entrance into the academic community. Each student, who applies for admission and registers for classes, agrees that he/she will abide by the rules, regulations, and policies established by Arkansas State University-Beebe and voluntarily assumes obligations of performance and functions. These obligations may be much higher than those imposed on all citizens by civil and criminal law. Failing to maintain these higher obligations may result in the imposition of sanctions or separation from the academic community.

The following ideals are part of the collective expectation of the members of this learning community relative to personal conduct.

Civility: Members of a learning community should interact with others in courteous and polite manner. Members of the community have a responsibility to respect the values, opinions, and feelings of others.

Ethical Behavior: The pursuit of higher education is a privilege. Associated with that privilege is an obligation to aspire to a set of principles and values that demonstrate a commitment to fairness, honesty, empathy, and achievement.

Inclusion: A learning community must be one where students can engage with peers, faculty, and staff in a safe environment, free of discrimination or threat of marginalization. Every member of this community should seek to proactively make others, particularly those different from themselves, feel safe, supported, welcomed, and included in the holistic ASU-Beebe community despite of actual or perceived identity.

Morality: Members of a learning community commit to ideals of appropriate human conduct. This is a lifestyle that seeks to harm no one and attempts to be a positive contributor in every interaction.

Respect: Every member of this community should seek to both gain and demonstrate respect. Members should hold one another in high regard. Each individual should conduct himself or herself in a manner worthy of that regard. Respect is gained by decent and correct behavior.
The learning community at Arkansas State University-Beebe does not intend to be prescriptive regarding the personal beliefs and value systems of its members. However, this community does believe that it has a right to expect its members to demonstrate personal responsibility and integrity in word and deed. Members of the ASU-Beebe community should be aware the college has a responsibility to protect every student's right to learn in a safe environment, free from unlawful discrimination or prejudicial treatment that unjustly deprives them of that right. Any act that attempts to overtly target, marginalize, derogate, denigrate, or villainize an individual or group of individuals based on actual or perceived identity shall not be tolerated. When the conduct of any member falls outside the boundaries of civil, moral, and/or ethical behavior, that member can expect the community of Arkansas State University-Beebe to call such conduct into question.

Students are expected to comply with all college policies and procedures. The college reserves the right to discipline students or student organizations for inappropriate actions that occur on or off campus.

It is a privilege, not a right, to be an Arkansas State University-Beebe student.

It is understood that a regulation concerning every possible act of misconduct cannot be specifically stated. However, the following acts of misconduct serve as examples and apply whether they are performed singly, within a group, or at a function of an organization. These acts of misconduct could result in arrests and charges being filed under local, state, or federal laws.

Acts of violence, threats of violence, illegal possession of weapons, and possession of illegal drugs will not be tolerated and will result in separation from the college.

Failure to comply with health, or safety protocol may result in disciplinary action including, but not limited to, immediate separation from the college.

9.3 COMPLAINTS CONCERNING DISCRIMINATION AND/OR HARASSMENT
Arkansas State University-Beebe does not discriminate on the basis of color, sex, sexual orientation, gender identity, race, age, national origin, religion, marital status, veteran status, genetic information or disability in any of its practices, policies or procedures. This includes, but is not limited to, employment, admissions, educational services, programs or activities which it operates or financial aid.

TITLE IX OF EDUCATION AMENDMENTS
Title IX is a comprehensive federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity.

Title IX benefits both males and females, and is at the heart of efforts to create gender equitable schools. The law requires educational institutions to maintain policies, practices and programs that do not discriminate against anyone based on sex. Under this law, males and females are expected to receive fair and equitable treatment in all areas of public schooling including recruitment, admissions, educational programs, and activities, course offerings and access, counseling, financial aid, employment assistance, facilities and housing, health and insurance benefits, marital and parental status, scholarships, sexual discrimination and athletics. Arkansas State University has designated a Title IX Coordinator for each campus. Any incidence of sexual discrimination including sexual harassment or sexual violence should be reported to the Title IX Coordinator who will take prompt action to secure a full and equitable review. In the event the sexual discrimination allegation is against the Title IX Coordinator, the report should be made to the Office of General Counsel. Contact information for each campus’s Title IX Coordinator is located on the respective campus’s website.

SEXUAL DISCRIMINATION
Arkansas State University is committed to providing an educational and work environment for its students, faculty, and staff that is free from sexual discrimination including sexual harassment, sexual assault, sexual violence, stalking, domestic violence, and dating violence, as prohibited by Title IX of the Educational Amendments of 1972, and/or Title VII of the 1964 Civil Rights Act. No form of sexual discrimination will be tolerated.

It is important to preserve all evidence of sexual discrimination, especially if the discrimination is also a criminal offense, such as sexual assault, stalking, domestic violence, or dating violence.
Supervisors and staff members must recognize that their positions necessarily embody unequal power relationships with their subordinates and students. Because of the inherent power differences in these relationships, the potential exists for the less powerful to perceive a coercive element in suggestions relative to activities outside those appropriate to the professional relationship. It is the responsibility of supervisors and staff members to behave in such a manner that their words or actions cannot reasonably be perceived as coercive.

Each campus has a Title IX Coordinator who is charged with investigating certain allegations of sexual harassment, sexual assault, stalking, domestic violence and dating violence, as defined within the Title IX Grievance Procedure herein. Each campus’s Human Resources Department is responsible for investigation allegations of sexual discrimination, not covered by Title IX, and in violation of Title VII. Employees with supervisory responsibilities, including deans, vice chancellors, department chairs, faculty, student conduct personnel, human resources personnel, athletic administrators, coaches, and university police personnel must report incidents of sexual discrimination either observed by them or reported to them to the Title IX Coordinator. The Title IX Coordinator will conduct a prompt, thorough, and objective investigation of those claims which meet the requirements of a Title IX offense, and will refer other claims of sexual discrimination to the campus Human Resources department. If sexual discrimination has occurred, appropriate remedial action commensurate with the severity of the offense will be taken up to and including termination. All reports, complaints, and investigations are treated with discretion and confidentiality is maintained to the extent allowed by law.

The Title IX Coordinator or Human Resources representative, as applicable, will notify the appropriate law enforcement agency of all reports of sexual assault, stalking, domestic violence or dating violence. The person who has allegedly been subjected to sexual discrimination may also contact law enforcement and may seek an order of protection, no contact order, or similar order. The Title IX Coordinator or Human Resources representative will assist the person alleging to be subjected to sexual discrimination and the person alleged to have committed sexual discrimination with locating resources for counseling, medical treatment, legal advice, or other services.

Each campus within the Arkansas State University System provides educational materials and programs on sexual discrimination. Contact the Human Resources Department or Title IX Coordinator for information on awareness and prevention of sexual discrimination.

The University reserves the right to take those legally permitted supportive measures it deems necessary in response to an allegation of sexual discrimination in order to protect individuals’ rights and personal safety. Such supportive measures may include, but are not limited to: modification of campus living or employment arrangements; interim suspensions from campus; no contact or communications requirements; leave with or without pay; and, reporting the matter to law enforcement. Persons reporting allegations of sexual discrimination must follow the Staff Grievance Procedure or the Title IX Grievance Procedure, as applicable.

**RESTITUTION ACTION PROHIBITED**
Retaliation against a person who files a charge of discrimination, participates in an investigation, refuses to participate in an investigation, or opposes an unlawful employment practice is prohibited by law and Arkansas State University. Any person who needs further explanation or who believes he or she has been retaliated against should contact the Human Resources Department.

**TITLE IX GRIEVANCE PROCEDURE**

**GRIEVANCE ISSUES**
The Title IX Grievance Procedure applies to allegations of sexual discrimination, including sexual harassment, sexual assault, stalking, domestic violence, and dating violence, occurring in the United States and in an educational program or activity of any campus within the Arkansas State University
System, which is made by a person participating in or attempting to participate in an educational program or activity of the campus.

Sexual Harassment under Title IX is defined as unwelcome gender-based verbal or physical conduct and occurs when:
1. Submission to, or tolerance of, such conduct is made a term or condition of instruction, employment, or participation in other university activities;
2. Submission to, or rejection of, such conduct is used as a basis for employment or education decisions affecting the individual; or
3. Such conduct is severe, pervasive, and objectionably offensive such that it has the effect of unreasonably interfering with an individual’s education or employment performance.

Sexual assault occurs when a person is subjected to an unwanted sexual act without consent. Sexual acts occur without consent when they are performed by force, in response to a threat, against a person’s will, or where a person is incapable of giving consent due to minority, intellectual impairment, or use of mind-altering substances such as drugs or alcohol.

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.

Domestic Violence is defined as felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of Arkansas, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the State of Arkansas.

Dating Violence is defined as violence committed by a person (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship, (ii) the type of relationship, and (iii) the frequency of interaction between the persons involved in the relationship.

REPORT OF SEXUAL DISCRIMINATION
Any employee, student, or visitor participating in or attempting to participate in an educational program or activity offered by a campus in the Arkansas State University System who believes he or she has been subjected to sexual discrimination should report the incident to the applicable campus’s Title IX Coordinator utilizing the reporting form available on the Title IX web site for the campus. Employees with supervisory responsibilities including deans, vice chancellors, department chairs, faculty, student conduct personnel, human resources personnel, athletic administrators, coaches, and university police personnel must report incidents of sexual discrimination either observed by them or reported to them to the Title IX Coordinator. In the event the sexual discrimination allegation is against the Title IX Coordinator, the report form should be submitted to the Office of General Counsel. Reporting may be done by telephone, fax, email, or a hard copy communication, and may be submitted during or outside of business hours. In order to ensure timely investigation and remedy, a Title IX grievance should be activated within sixty (60) days from the time the events leading to the complaint occurred as delay in reporting impedes the ability to achieve prompt resolution. Reports of sexual assault, sexual violence, stalking, domestic violence and dating violence will be reported to law enforcement authorities.

Criminal investigations by any law enforcement agencies or investigations conducted under the Faculty, Staff, or Student Handbooks may occur simultaneously with a Title IX discrimination grievance.
A. Upon receipt of a report of an allegation of sexual discrimination, the Title IX Coordinator will contact the person alleged to have been subjected to the sexual discrimination (hereinafter referred to as a “Complainant”) within two (2) business days. During the initial contact, the Title IX Coordinator shall notify the Complainant of available supportive measures with or without the filing of a formal complaint, the process for filing a formal complaint, and the potential code of conduct violations for knowingly providing false information. If the Complainant decides to file a formal complaint, the Complainant must submit a written and signed statement of the facts surrounding the allegations sufficient to allow the Title IX Coordinator to determine whether:

1. the actions alleged to have occurred meet the definition of sexual harassment, sexual assault, dating violence, domestic violence, or stalking;
2. the actions alleged to have occurred were perpetrated against someone who was engaged in or attempting to engage in an educational activity or program offered by the campus;
3. the actions alleged to have occurred were perpetrated by someone who is a student or employee of the campus, if the person’s identity is known;
4. the acts alleged to have occurred took place against a person located in the United States; and,
5. the acts alleged to have occurred took place in a location or under circumstances over which the campus exercises substantial control, including but not limited to on campus buildings, buildings owned or operated by registered student organizations, or during off campus class events.

B. Following the receipt of the formal complaint, the Title IX Coordinator will send a Notice of Allegations to both the Complainant, and the person alleged to have perpetrated the sexual discrimination (hereinafter referred to as the “Respondent”). The Notice of Allegations will:

1. set forth the allegations outlined in the formal complaint;
2. advise the parties on the Title IX Grievance Procedure, including their right to not participate;
3. set forth the available supportive measures for the parties, which will be equitably available to each;
4. outline the availability of and describe the informal resolution procedure;
5. notify the parties that they have the right to have an advisor of their choice, who may but does not have to be an attorney, and that the advisor may attend but not directly participate in any meetings or interviews throughout the investigation;
6. notify the parties that they are required to have an advisor for the purposes of the hearing, and the availability of an advisor to be provided by the campus in the event that either party cannot obtain one;
7. state the standard of evidence used in the Title IX Grievance procedure is preponderance of the evidence;
8. state that the parties each have the right to inspect, review, and respond to all information and evidence gathered, which will be presented to the parties promptly after its receipt by the Title IX Coordinator or investigator;
9. inform the parties of the potential code of conduct violations that can be pursued in the event that a party knowingly gives false statements or evidence; and,
10. state clearly that the Respondent is presumed “not responsible” unless and until there is a finding of responsibility at the conclusion of the hearing.

C. Immediately following the issuance of the Notice of Allegations, the Title IX Coordinator will review the formal complaint to verify that the conduct complained of meets the definition of sexual harassment, sexual assault, domestic violence, dating violence, or stalking; that it occurred in the campus’s education program or activity; and, it occurred against a person in the United States.
Following the verification of this information, the Title IX Coordinator will take one of the following actions:

1. If the allegations in the formal complaint fails to meet any of these requirements, it must be dismissed under the Title IX Grievance Procedure, but can be pursued under the Staff Grievance Procedure, or the campus's code of conduct. The parties will be notified simultaneously in writing of this action.

2. If the formal complaint meets the requirements, but the Complainant requests in writing to withdraw the allegations or formal complaint; the Respondent is no longer enrolled or employed by the campus; or, specific circumstances prevent the Title IX Coordinator from gathering enough evidence to make a determination, the Title IX Coordinator may dismiss the Title IX investigation. In such an instance, the Title IX Coordinator shall notify both parties simultaneously in writing of the dismissal of the formal complaint, and the reason for the dismissal. Either party may appeal this dismissal to the Director of Human Resources. The appeal must be transmitted within five business (5) days of the issuance of the decision by the Title IX Coordinator. The Director of Human Resources shall review the decision, the rationale for the decision, and the appeal, and shall make the final determination as to whether the Title IX Discrimination Grievance shall be permitted to proceed to investigation, and shall transmit that decision, simultaneously and in writing, to both parties within five (5) business days of the receipt of the appeal.

3. If the formal complaint meets the requirements, and the investigation isn’t dismissed as permitted in Section C.2., the formal complaint shall proceed to the investigation. If the formal complaint meets the requirement set forth in Section A. herein, the allegations of the formal complaint may only be addressed under the Title IX Grievance Procedure.

D. Within forty-five (45) business days after receipt of a formal complaint, the Title IX Coordinator, or investigator, will conduct a full and impartial investigation, considering all available inculpatory and exculpatory evidence, by: interviewing the complainant, the respondent, and any witnesses identified throughout the investigation; considering any expert testimony offered by either party; and, by reviewing any documentary evidence submitted by either party or obtained by the Title IX Coordinator or investigator.

The Title IX Coordinator or investigator will:

1. not seek or consider any evidence which is protected by a legally acknowledged privilege without the written consent of the party who holds the privilege;
2. not consider evidence of the Complainant’s sexual history or predisposition, unless offered to prove that someone else committed the acts the Respondent is accused of, or specific incident between the Complainant and Respondent are offered to prove consent;
3. make no credibility assessments based solely on a party's status as a complainant or respondent;
4. provide any party requested to attend a meeting or interview with written notice of the day, time, location, invited participants, and purpose of the meeting or interview no less than two (2) business days in advance of the proposed meeting;
5. make ongoing determinations, throughout the investigation, regarding the appropriateness of available supportive measures, such as: suspension from employment with or without pay; suspension from classes following an individualized determination that based upon the allegations the Respondent poses an immediate threat to a faculty member, staff member, or student; issuance of a no contact directive to both parties; reassignment of job duties; counseling; campus escort services; increased security and monitoring certain areas on campus; or, changing class or classroom assignments. If immediate action is required, the Title IX Coordinator shall work with the appropriate administrator to implement supportive measures.

E. After studying all the pertinent facts and documents, carefully examining any policies involved, and discussing the issue with the parties and witnesses, the Title IX Coordinator shall either:

1. propose an informal resolution procedure be utilized to the parties which, if accepted, shall be documented in writing, and, if successful, shall conclude the investigation, or, if unsuccessful, shall result in the investigation proceeding towards a formal hearing, with all informal
resolution proceeding documents being maintained and submitted to the Hearing Committee:

2. gather all evidence collected throughout the investigation that is directly related to the allegations in the complaint and simultaneously submit, in electronic or hard copy, it to the parties and their advisors, if any. The parties shall have ten (10) business days to review and respond to all evidence provided. The Title IX Coordinator or investigator will review and consider the response(s) of the parties before completing its investigative report. The investigative report shall be a formal written report which sets forth:
   a. the timeline of the investigation, beginning with the formal complaint, and includes all notices given, meetings or interview conducted, and communications received;
   b. the allegations contained in the formal complaint;
   c. the evidence relevant to the allegations gathered throughout the investigation; and,
   d. the specific form of sexual discrimination the Respondent is alleged to have engaged in.

F. Following the completion of the investigative report, the Title IX Coordinator will simultaneously submit, in electronic or hard copy, the investigative report to both parties and their advisors, if any. Both parties shall have a period of ten (10) business days to review the investigative report before the hearing date. Both parties have the option to submit a written response to the investigative report. The investigative report and any written responses by either party shall be submitted to the Title IX Hearing Committee.

G. Timelines may be extended by the Title IX Coordinator in extenuating circumstances and for good cause shown.

H. Allegations of sexual discrimination which meet the requirements of a Title IX offense and which are made by a student against a staff or faculty member shall not be resolved by the informal resolution procedure.

TITLE IX DISCRIMINATION HEARING COMMITTEE COMPOSITION
The Title IX Discrimination Hearing Committee is composed of members selected by the Chancellor or the Chancellor's designee from the Academic Hearing Committee, the Student Conduct Hearing Committee, and the Staff Hearing Committee for that campus. The Title IX Discrimination Hearing Committee is composed of five (5) voting members, and one (1) ex-officio non-voting chair. A member of the Human Resources department or Human Resources' designee sits as ex-officio, non-voting chair of the Title IX Discrimination Hearing Committee, making determinations of relevance, overseeing the orderly operation of the hearing, and offering technical assistance on procedural and policy matters. One (1) voting member of the Title IX Discrimination Hearing Committee shall be a student, one (1) shall be a faculty member, and one (1) shall be a staff member. One (1) voting member shall be selected so that his or her primary classification of student, faculty, or staff aligns with the primary classification of the Complainant, and one (1) voting member shall be selected so that his or her primary classification aligns with the primary classification of the Respondent. The Title IX Discrimination Hearing Committee shall have specific training on sexual discrimination under Title IX, and the Arkansas State University System Title IX policy and Title IX Grievance Procedure.

TITLE IX DISCRIMINATION HEARING COMMITTEE FUNCTIONS
The Title IX Discrimination Hearing Committee shall review the investigative report of the Title IX Coordinator, the responses to the investigative report by the party(ies), the inculpatory and exculpatory evidence (that being both evidence which proves and evidence which disproves statements or allegations made by a witness or party) relevant to the allegations gathered by the Title IX Coordinator or investigator, any live testimony offered by the party(ies) and/or witnesses, and, any evidence offered by the party(ies) to determine, based on the preponderance of the evidence, whether the Respondent is responsible for a violation of the Title IX policy, and, if so, to recommend an appropriate action to end the discrimination, prevent its recurrence, and remove its effects on the Complainant and the University community.
Each party shall be represented by an advisor, who may but does not have to be an attorney. The advisor will directly participate in the hearing, and question witnesses on the respective party’s behalf. If either party is unable to obtain an advisor, the campus will provide a pool of advisors who have been trained on Title IX from which the party may select an advisor. A party who needs the campus to provide them with an advisor shall give notice to the campus no less than five (5) business days prior to the hearing so availability may be determined and the selected advisor can have an opportunity to review all relevant materials. If a party appears at the hearing without an advisor, and without having given notice of his or her need for an advisor, the campus will assign an advisor who is trained on Title IX, and who is selected by the campus based on availability. In the event that either party’s advisor hinders the ability to conduct the hearing in an orderly fashion, that advisor may be removed from the hearing by the Chair of the Hearing Committee, and shall be replaced by an advisor to be provided by the campus.

The entirety of the hearing will be recorded by the Chair of the Hearing Committee, and conducted in closed session. At the request of either party, or in the discretion of the Chair of the Hearing Committee, the parties may be located in separate physical locations, but by use of appropriate technology shall be able to simultaneously see and hear each other and the Hearing Committee, and be seen and heard by the Hearing Committee.

During the course of the hearing, the Hearing Committee will call the witnesses interviewed during the investigation for testimony, and each party’s advisor shall be permitted to question those witnesses. Both parties shall be permitted to offer an opening statement, and to testify and offer witnesses, including expert witnesses, to testify. In the event that either party wishes to call witnesses, they will disclose the identity of the witnesses to the Chair of the Hearing Committee no less than two (2) business days prior to the hearing. The Chair of the Hearing Committee will notify each party of the witnesses the other party intends to call. Testimony shall be elicited through direct and cross-examination by both parties, acting by and through their respective advisors, and the Hearing Committee. In the event that a party or witness refuses to attend the live hearing and submit to cross-examination, that witness’s previous statements will not be considered in making a determination of responsibility, and no inferences shall be drawn by the Hearing Committee based on the refusal to testify. Each party shall be permitted to present evidence for the Hearing Committee’s consideration. All evidence collected by the Title IX Coordinator or investigator throughout the investigation will be presented to the Hearing Committee, and both parties shall have the right to utilize the evidence as part of their presentation to the Hearing Committee. Both parties shall have the opportunity to offer a closing statement.

**TITLE IX DISCRIMINATION HEARING COMMITTEE FINDINGS**

Within twenty (20) business days of the conclusion of the hearing, the Hearing Committee shall issue a written decision which will be simultaneously sent to both parties and their advisors by the Chair of the Hearing Committee. The written decision shall include:

F.  a statement that each party has the right to appeal the decision of the Hearing Committee within five (5) business days on the bases of: procedural irregularity that affected the outcome; new evidence not reasonably available at the time of the Hearing Committee’s determination that could affect the outcome; and/or, bias or conflict of interest on the part of the Title IX Coordinator, investigators, or Hearing Committee; and,
G.  a statement that the standard of evidence used in the appeal shall be the preponderance of the

Grievances which are untimely or fails to contain all required information, including a clear statement of all grounds for the grievance will not be reviewed by the college. Once submitted, a grievance shall not be expanded beyond the issues presented in the initial complaint in order to facilitate a clear and prompt resolution. The college reserves the right to redirect a grievance to the proper grievance procedure or to any other appropriate review procedure at initial review.

- ASU-Beebe supports social distancing, and masks are welcomed on our campus. In all cases, employees and students will respect and comply with any employee, student, or guest’s request for social distancing.

**CLEANING AND SANITIZING**
- Students are encouraged to wash their hands frequently with soap and hot water for at least 20 seconds. When soap and water are not feasible, students are instructed to use hand sanitizer when entering and exiting buildings, offices, and classrooms.
- Students are encouraged to disinfect surfaces of desks, workstations, computer mouse, computer keyboards, and equipment before each use in classrooms, computer labs, learning spaces, and common areas.

**STUDENTS REQUIRED TO REPORT SYMPTOMS OF COVID-19**
- Students are required to report via the online COVID-19 Self Reporting Form located at [http://www.asub.edu/coronavirus-information/index.aspx](http://www.asub.edu/coronavirus-information/index.aspx), if the student:
  - Has a confirmed or suspected positive case of COVID-19;
  - Is experiencing symptoms of COVID-19 (fever, cough, shortness of breath, weakness, fatigue, nausea, change in taste or smell, diarrhea); or
  - Been in contact with a COVID-19 positive individual.
- Once a student submits a COVID-19 Self Reporting Form, they are directed to refrain from visiting campus until they have been contacted by an ASU-Beebe Official and communicated it is safe to return to campus (i.e., classroom, tutoring, on-campus dining, offices, etc.).

**STUDENTS IN QUARANTINE OR ISOLATION**
- In the event a student is unable to participate in face-to-face course or services due to being quarantined/isolation due to exposure to COVID-19, faculty and staff will be directed to work with the
student and deliver instruction/services virtually to ensure the student is able to maintain good standing with the college. Students must understand, while in quarantine/isolation, they are responsible for maintaining their course standing.

VIRTUAL OFFICE HOURS
- Faculty and staff are encouraged to meet with students in a socially distanced manner. Virtual office hours are encouraged through Zoom and/or phone. In the event a face-to-face meeting is to take place, social distance of at least six (6) feet must be maintained.

ATTENDANCE IN CLASSES
- Attendance will be taken each class period. Where applicable, faculty with face-to-face classes are to create a seating chart of assigned seats. The seating chart is necessary to assist with contact tracing in the event a student tests positive for COVID-19 or is identified as a direct contact to someone who has tested positive for COVID-19.

PROGRAM SPECIFIC PROTOCOLS
- Many programs require hands-on instruction that will require additional protocols. Program directors and instructors will communicate to students any program specific protocols.

ADDITIONAL PROTOCOL
- ASU-Beebe may need to implement additional protocols throughout the semester to protect the public health of the college community in response to the development of the COVID-19 public health emergency or other communicable diseases situations.
EMERGENCY PROCEDURES

Knowing what to do and who to contact when an emergency arises is a responsibility that each of us must take seriously.

In all emergency situations, statements to media should be made only by the Marketing and Public Relations Office. Responses to family members should be made only by the Human Resources Office for faculty/staff and only by the Student Services Office for students.

Notify University Police, 501.882.8851 or 501.288.3071, of any criminal or suspicious behavior.

- **Gunfire**: Take cover or evacuate. Stay calm and make the right decision - run, hide or fight.
- **Hostage**: Make mental notes of captor’s characteristics and sights and sounds if you are taken from campus. University Police will involve other law enforcement agencies as necessary.
- **Suspicious Object**: Do not touch - Clear immediate area and call University Police
- **Bomb Threat**: Remain Calm - Keep Caller on Phone

3. If unresponsive, call 911 and University Police.
4. Assess the person’s breathing by looking at the rising and falling of the chest.
5. If not breathing or having difficulty breathing, position head in a slightly tilted back position and clear the mouth if needed.
6. Assess pulse. If there is no pulse and the person is not breathing, start CPR if qualified or utilized defibrillator if available.

Name of the injured, time of accident/injury, cause of accident/injury, names of witnesses and other pertinent information should be documented and turned in to University Police.

**TORNADO**
- **WATCH:** means that a tornado is possible.

- **SIRENS:** siren will sound twice for one minute intervals when a tornado has been detected in our area. The siren system is tested each Wednesday at 12:00 noon.
- **SHELTER:** Upon hearing the warning system siren, all campus personnel should move to interior hallways and interior rooms on the lower level of major buildings. The designated tornado shelter list is located on the ASU-Beebe website under the ASU-Beebe Emergency Alert Notification System link or in the Emergency Procedures Guide.
- **ALL CLEAR:** Classes and normal activities are to resume once notification of “All Clear” is received by either siren system or ASU-Beebe Emergency Notification System.
